Beckey was born in D ü sseldorf, Germany, and (due to hyperinflation in the Weimar Republic) his family immigrated to the United States in 1925, ending up in Seattle, Washington. His brother, Helmut "Helmy" Beckey, was born in Seattle in 1926 and became Fred's frequent climbing partner. Fred Beckey started climbing in the North Cascades as a teenager around age thirteen, learning the basic concepts from the Boy Scouts and, later, The Mountaineers but quickly going on to harder climbs on his own.

Parents need to know that Becky is an extremely violent thriller about a teen (Lulu Wilson) who tries to defend herself and her family from a band of escaped criminals. Violence is frequent and explicit, with guns and shooting, heavy blood and gore (including eyeballs popping out and being sliced off, and characters being stabbed by pencils, burned, and mangled by outboard motors and lawnmowers).

Becky's Business guide black people because it's racism and maybe it's injustice that we never corrected from slavery. I think it's that one and I have solutions. I know how much you love White women telling you what to do or maybe you just like us talking it's just cuz you like our mouths, which is weird because we don't have lips.

Becky is graphically beaten to death with a trinket box; we see her head full of dents and covered in blood after. One of the most graphic scenes in the movie. Grace undergoes a lot of of violence throughout the movie including being shot in the hand, cut across the back, and stabbed in the shoulder.
