world.

Having the ability to see fairies means
that Tanya Fairchild's life has never
been easy. After all, real fairies are
nothing like the ones in books; ones

that grant wishes or leave money for teeth. Real fairies don't like to be talked about, and they cast spells if Tanya steps out of line. The most she's ever received in exchange for one of her teeth is a chewed up toffee. Of course, it would help if Tanya knew someone - anyone - else who could

see them, too . . . When Tanya meets Ratty, she finds not only that can he see fairies, but that he has a fairy friend, Turpin. Turpin is rude and spiteful, but funny and loyal too. When Ratty goes missing, Tanya discovers her new friend has another extraordinary ability; an ability that has

the potential to destroy them both . . .

The Thirteen Treasures have become the Thirteen Curses. When fairies stole her brother, Red vowed to get him back. Now trapped in the fairy realm, she begs an audience with the fairy court where she strikes a bargain.

Her brother will be returned - but only if she can find the thirteen charms of Tanya's bracelet that have been scattered in the human world.
