93 1993 Ford Taurus Catalytic Converter - Exhaust - AP ...

Hi, I have a 1993 Ford Taurus that is experiencing some major problems. The car will not idle right and it stutters and often dies when idling. It will also die if driving at city speeds and you have to stop quickly. Also, once it dies, it really hesitates to start back up again, but this only happens once it it warm.

Online Library 1993 Taurus Engine Compartment Wire Harness

93 1993 Ford Taurus Engine Compartment Light Bulb - Body ...

I checked the Haynes repair manual and in the book for the 1993 Taurus they don't mention the relay at all. I know it has one because there is a listing for it at the parts store. The book for the newer Taurus says it is in the engine compartment in a power distribution box near the battery. Unfortunately it doesn't appear to be in the same place on the older Taurus.
