Paranormal Activity 3 is a 2011 American found footage supernatural horror film, directed by Henry Joost and Ariel Schulman. It is the third (chronologically, the first) installment of the Paranormal Activity series and serves as a prequel, mostly set 18 years prior to the events of the first two films. It was released in theaters on October 21, 2011. ...

Responding to the demands of the Framework for Teaching English, Years 7–9, within the context of the revised National Curriculum, the Level Best series offers a carefully structured and motivating approach to English for 11 to 14 year-olds. Making clear the purpose and structure of each unit and the skills being developed, the books offer opening questions for discussion in small groups and provide opportunities throughout to learn in a variety of ways. Encouraging students throughout to examine and explain how they reached their conclusions, the series provides plenty of support in order to increase confidence and achievement. It aims to guide students towards realistic targets by encouraging reflection on what has been learnt during the course of each unit before moving on to the next level. The Teacher Resource Books provide extensive support, including suggestions for teaching styles, model answers and photocopiable worksheets.

Super Minds American English is a seven-level course for young learners. This exciting seven-level course enhances your students' thinking skills, sharpening their memory and improving their concentration along with their language skills. Super Minds develops creativity with visualization exercises, art activities and craft activities, explores social values with lively stories, and encourages cross-curricular thinking with fascinating 'English for school' sections. This Level 2 Teacher's Resource Book contains end-of-unit evaluation tests, worksheets for further vocabulary and grammar practice, along with cross-curricular extension material. The Audio CD includes all the listening material needed to accompany the tests.

It is important for school librarians to consider the expertise of classroom teachers, the position of school administrators, and the beliefs and values of the community at large. Striking the balance between collaboration and leadership is a key to successful implementation of an effective library program.

The Hands-On English Language Learning program is a resource for classroom teachers, specialist teachers working with English-language learners, and other educational professionals who support these students. To assist your students in developing language skills, this resource includes: specific curricular connections for each lesson to identify links to subject-area themes in language arts, mathematics, science, social studies, health, physical education, and the arts integrated class activities to promote learning in context for all students in the classroom suggested activities focus on curricular topics in all subject areas, while supporting English language learners relevant topics such as the classroom and school, clothing, food, hobbies and interests, plants and animals of Canada, the world, and the environment age-appropriate, high-interest learning activities that foster the development of essential English language vocabulary and skills in listening, speaking, reading, writing, viewing, and representing activities (in keeping with the philosophy of all Portage & Main Press Hands-On programs) that are student-centred and focus on real-life, hands-on experiences Please note: All blackline masters are included on a CD.
