Aia Guidelines For Design And Construction Of Hospitals ...

The AIA COVID-19 Business Task Force has gathered key talking points and resources architects can use when speaking with clients to reinforce the many ways their services are of great importance and value, now and in the future. This work is focused on three key areas: why architects and design matter, business and financial strategies, and construction and shovel-ready project strategies.

COVID-19 resources for architects - AIA

It is critical that project teams establish General Objectives for Design Development. The starting point should be the contract; refer to the specific project agreement as well as AIA B100 series documents. The General Objectives are intended to be clear, concise and shared with the entire project team including the client.
