Stanis. Lexi and Stanis are equally surprised to find themselves bound to each other. But as they learn to work together, they realize that only united can they save the city they both love...

"Alexandra Belarus is a struggling artist living in New York City, even though her family is rich in real estate, including a towering Gothic Gramercy Park building built by her great-great-grandfather. But the truth of her bloodline is revealed when she is attacked on the street and saved by an inhumanly powerful winged figure. A figure who knows the Belarus name. Lexi's great-great-grandfather was a Spellmason—an artisan who could work magic on stone. But in his day, dark forces conspired against him and his, so he left a spell of protection on his family. Now that Lexi is in danger, the spell has awoken her ancestor's most trusted and fearsome creation: a gargoyle named Stanis. Lexi and Stanis are equally surprised to find themselves bound to each other. But as they learn to work together, they realize that only united can they save the city they both love."--Publisher.

NO STONE UNTURNED... Alexandra Belarus was an artist stuck working in her New York family's business...until she discovered her true legacy—a deep and ancient magic. Lexi became the last practicing Spellmason, with the power to breathe life into stone. And as her powers awoke, so did her family's most faithful protector: a gargoyle named Stanis. But when a centuries-old evil threatened her family and her city, Stanis sacrificed himself to save everything Lexi held dear. With Stanis gone, Lexi's efforts to master Spellmasonry—even with the help of her dedicated friends—are faltering. Hidden forces both watch her and threaten her, and she finds herself suddenly under the mysterious wing of a secret religious society determined to keep magic hidden from the world. But the question of Stanis's fate haunts her—and as the storm around her grows, so does the fear that she won't be able to save him in her turn.

It's hard to defeat evil on a budget. Just ask Simon Canderous. FROM THE AUTHOR OF DEAD TO ME. View our feature on Anton Strout's Deader Still. It's been 737 days since the Department of Extraordinary Affairs' last vampire incursion, but that streak appears to have ended when a boat full of dead lawyers is found in the Hudson River. Using the power of psychometry—the ability to divine the history of an object by touching it—agent Simon Canderous discovers that the booze cruise was crashed by something that sucked all the blood out of the litigators. Now, his workday may never end—until his life does.

Simon Canderous, of the Department of Extraordinary Affairs, is used to fighting vampires and zombies. But the strange murder of a professor has everyone stumped. And it's making some people crazy. Literally.

"Deeply satisfying...succeeds on a grand scale...best of all is the language...Hopkinson's narrative voice has a way of getting under the skin."--The New York Times Book Review "Caribbean patois adorns this novel with graceful rhythms...Beneath it lie complex, clearly evoked characters, haunting descriptions of exotic planets, and a stirring story...[This book] ought to elevate Hopkinson to star status." --Seattle Times It's Carnival time and the Caribbean-colonized planet of Toussaint is celebrating with music, dance, and pageantry. Masked "Midnight Robbers" waylay revelers with brandished weapons and spellbinding words. To young Tan-Tan, the Robber Queen is simply a favorite costume to wear at the festival--until her power-corrupted father commits an unforgiveable crime. Suddenly, both father and daughter are thrust into the brutal world of New Half-Way Tree. Here monstrous creatures from folklore are real, and the humans are violent outcasts in the wilds. Tan-Tan must reach into the heart of myth and become the Robber Queen herself. For only the Robber Queen's legendary powers can save her life . . . and set her free.

Gifted with the ability to touch an object and divine information about its history, Simon Canderous, a reformed criminal working for New York City's secret Department of Extraordinary Affairs, agrees to help a woman, who does not know she is dead, track down her killers. Original.

In the time before the Confessors, when the world is a dark and dangerous place, where treason and treachery are the rule of the day, comes one heroic woman--Magda Searus--who has just lost her husband and her way in life.

The book enables readers to understand the representation of the church on television, how this compares to actual historical accounts of the church in the same era, and why popular culture depicts the church as it does. It examines TV's depiction of church leaders and the issues they faced over time.

This chronicle of renowned composer Richard Wagner and his descendants features "a cast of characters who are positively operatic in their histrionics" (The Guardian). Richard Wagner was many things—composer, philosopher, philanderer, failed revolutionary, and virulent anti-Semite—and his descendants have carried on his complex legacy. In his "lively and wry" history of the legendary composer and his family, biographer Jonathan Carr also offers fascinating glimpses of Franz Liszt, Friedrich Nietzsche, Arthur Schopenhauer, Arturo Toscanini, Joseph Goebbels, Hermann Göring, and Adolf Hitler—a passionate fan of the Master's music and an adopted uncle to Wagner's grandchildren (The New York Times). Stretching from the revolutions of 1848 to the darkest days of World War II and through to the present incarnation of Wagner's Bayreuth Festival, The Wagner Clan is "a smart, insightful look into German history" and a family whose saga is as gripping as any opera (New York Post). "Jonathan Carr's history is formidable . . . [A] compendious and enthralling story." —The Economist "The grandiose life of Richard Wagner—the pronouncements on art and the German soul, the petty groveling for money and favors, the intermittently atrocious politics and intermittently glorious music—was a tough act to follow. Carr . . . follows Wagner's descendants through three generations as they fight each other for

Where To Download Alchemystic The Spellmason Chronicles 1 Anton Strout

control of the Bayreuth Festival and, at opportune times, embrace, reject or sweep under the rug their forebear's status as Nazism's spiritual godfather. . . . Carr's sprightly, fluent narrative places the family in its historical and intellectual context without reducing it to the symbolic effigy it has often become." —Publishers Weekly, starred review
