Not all journeys come to an end.... 1867. Ruth Holtz has more blessings than she can count—a loving husband, an abundant farm, beautiful children, and the warm embrace of the Amish community. Then, the English arrive, spreading incredible stories of free land in the West and inspiring her husband to dream of a new life in Idaho. Breaking the rules of their Order, Ruth's husband packs up his pregnant wife and their four children and joins a wagon train heading west. Though Ruth is determined to keep separate

from the English, as stricture demands, the harrowing journey soon compels her to accept help from two unlikely allies: Hortence, the preacher's wife, and the tomboyish, teasing Sadie. But as these new friendships lead to betrayal, what started as a quest for a brighter future ends with Ruth making unthinkable sacrifices, risking faith and family, and transforming into a woman she never imagined she'd become....

girlfriend dictated his letters to the German Kaiser. And lesbian relationships inspired Eleanor Roosevelt to become a revolutionary crusader for equal rights. The colorful sex lives of America's most powerful leaders have influenced social movements, government policies, elections and even wars, yet they are so whitewashed by historians that people think Thomas Jefferson and Abe Lincoln were made of marble, not flesh and blood. But the truth is about to come out. In *One Nation Under Sex*, free speech activist and notorious *Hustler* magazine publisher Larry Flynt teams up with Columbia University history professor David Eisenbach to peek behind the White House

bedroom curtains and document how hidden passions have shaped public life. They unpack salacious rumors and outright scandals, showing how private affairs have driven pivotal decisions—often with horrific consequences. Along the way, they explore the origins of America's fascination with sex scandals and explain how we can put aside out political moralism and begin focusing on the real problems that threaten our nation.

When her husband decides to leave their Amish community and move the family to Idaho, Ruth Holtz agrees, but when tragedy strikes and two English people also on the journey help her, she is forced to reevaluate her beliefs.

So many secrets for such a small island. From the moment Anne Merchant arrives at Cania Christy, a boarding school for the world's wealthiest teens, the hushed truths of this strange, unfamiliar land begin calling to her—sometimes as lulling drumbeats in the night, sometimes as piercing shrieks. One by one, unanswered questions rise. No one will tell her why a line is painted across the island or why she is forbidden to cross it. Her every move—even her performance at the school dance—is graded as part of a competition to become valedictorian, a title that brings rewards no one will talk about. And Anne discovers that the

parents of her peers surrender million-dollar possessions to enroll their kids in Cania Christy, leaving her to wonder what her lowly funeral director father could have paid to get her in... and why. As a beautiful senior struggles to help Anne make sense of this cloak-and-dagger world without breaking the rules that bind him, she must summon the courage to face the impossible truth—and change it—before she and everyone she loves is destroyed by it.

A fiction-within-a-fiction, *My Life as a Man* centres on the fraught marriage of Peter, a gifted young writer and Maureen Tarnopol, the woman who wants to be his muse but who instead becomes his

nemesis. Their union is based on fraud and powered by moral blackmail. And yet, the the couple's relationship is so perversely durable that, long after Maureen's death, Peter is still trying - and failing - to write his way free of it. Out of desperate inventions and scorching truths, acts of weakness and shocking cruelty, Philip Roth creates a fierce tragedy about a fatal impasse between a man and a woman.

The true-life and deeply satiric odyssey of a punk-rock dropout turned porn empire overlord....

By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply "a genius." Autumns of Jacob de Zoet is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the "high-walled, fan-shaped artificial island" that is the Japanese Empire's single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious

merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. But Jacob's original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city's powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob's worst imaginings. As one cynical colleague asks, "Who ain't

a gambler in the glorious Orient, with his very life?" A magnificent mix of luminous writing, prodigious research, and heedless imagination, *The Thousand Autumns of Jacob de Zoet* is the most impressive achievement of its eminent author. Praise for *The Thousand Autumns of Jacob de Zoet* "A page-turner . . . [David] Mitchell's masterpiece; and also, I am convinced, a masterpiece of our time."—Richard Eder, *The Boston Globe* "An aching romantic story of forbidden love . . . Mitchell's incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive."—Dave

Eggers, The New York Times Book Review “The novelist who’s been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won’t rest until whole family lines have been snuffed out.”—Ron Charles, The Washington Post “By any standards, *The Thousand Autumns of Jacob de Zoet* is a formidable marvel.”—James Wood, The New Yorker “A beautiful novel, full of life and authenticity, atmosphere and characters that breathe.”—Maureen Corrigan, NPR
