The eText allows students online access to the student book so they can practice English on the go! Students can access audio selections, do full text searches, highlight important information, create notes and save bookmarked pages. The eText can be used on your computer, iPad, and Android tablet once you have redeemed the Access Card. This eText represents an electronic version of the well-known print edition, Understanding and Using English Grammar, 4th Edition ISBN 978-013343805-5. A classic developmental skills text for intermediate to advanced English language learners, Understanding and Using English Grammar is a comprehensive reference grammar as well as a stimulating and teachable classroom text. While keeping the same basic approach and material as in earlier editions, the fourth editin more fully develops communicative and interactive language-learning activities. Some of the new features are: Innovative Warm-Up exercises that precede the grammar charts and introduce points to be taught Structure-based listening exercises ranging from casual speech to academic content Academic readings that highlight the targeted grammar structures Greatly expanded speaking practice with extensive pair, group, and class work Corpus-informed syllabus that reflects that discourse patterns of spoken and written English Listening Script included
