US public companies will have to follow International Financial Reporting Standards as of January 1, 2011. Weygant's Financial Accounting: IFRS introduces challenging accounting concepts with examples that are familiar to the student while incorporating the new global accounting standards. Following the reputation for accuracy, comprehensiveness, and currency, Weygant guides students through financial accounting and the period of transition for IFRS readiness. The text prepares student for the requirements they will follow in the coming years.

Intermediate Accounting by Kieso, Weygant, and Warfield is, quite simply, the standard by which all other intermediate texts are measured. Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

Synopsis: INTERMEDIATE ACCOUNTING by Kieso, Weygant, and Warfield is, quite simply, the standard by which all other intermediate accounting texts are measured. Through thirty years and twelve best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success.

"Welcome to the new standard in intermediate accounting! Instructors recognize the "Spiceland advantage" in content that's intensive and thorough, as well as in writing that's fluid and precise-together, these combine to form a resource that's rigorous yet readable. By blending a comprehensive approach, clear conversational tone, current updates on key standards, and the market-leading technological innovations of Connect®, the Spiceland team delivers an unrivaled experience. As a result of Spiceland's rigorous yet readable learning system, students develop a deeper and more complete understanding of intermediate accounting topics"--

Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.

Wahlen/Jones/Pagach's INTERMEDIATE ACCOUNTING provides the context students need to understand accounting's unique value to an organization. Wahlen's approachable writing style infuses this context through the use a well-known company in a running thread case, and by using other recognizable companies like Coca Cola, Louis Vuitton, and Nestle in discussions. Recognizing that the world of accounting is changing rapidly, Wahlen provides currency and flexibility in its discussions of IFRS, Codification, and pending FASB changes, while also providing concrete ways for students to apply these concepts. Wahlen offers the breadth and depth of coverage you need while making Intermediate Accounting accessible to your students.
