It's 1945 on Avalon, Santa Catalina Island, "The coast of Hollywood." Yachts and fishing boats bob in water clearer than crystal, sunbathers bask on the white sand beaches, and from the legendary Avalon Ballroom, the music of Freddy Martin's Orchestra fills the air. Three beautiful young women prepare to embark upon their life's journeys: Gerri will be an actress, everyone is sure of that, and Maria a big band singer, and Maggie, the most beautiful of them all, will "wed," not just marry, but triumphantly, resplendently wed--the perfect wife to the perfect man, leading the perfect life. Avalon follows their fortunes over four decades, their friendships enduring through triumph and heartbreak, as they learn about life, and themselves, and what love really is--and isn't. Sometimes wishes really do come true! "Avalon represents V. J. Banis at the top of his game: a terrific read, with characters you will remember long after you have turned the last page. Rating: three-hankies." --Ruth Sims, author of The Phoenix

A country divided. A newly crowned, desperately vulnerable young queen. Can one man uncover the secret that will save her throne? It is 1560, and Elizabeth Tudor has been on the throne for a year. Dr. John Dee, at 32 already acclaimed throughout Europe, is her astrologer and consultant in the hidden arts... a controversial appointment in these days of superstition and religious strife. When dangerous questions of Elizabeth's legitimacy arise, the mild, bookish Dee finds himself summoned before William Cecil, who tasks him with an important mission. Along with Robert Dudley, Dee's daring friend and former student who is also rumored to be the Queen's secret lover, Dee must travel to the famously mystical town of Glastonbury to find the missing bones of King Arthur. Once these long-lost relics, the embodiment of a legacy vitally important to the Tudor line, are ensconced in London, doubts as to the Queen's supremacy as the rightful Tudor heir will be dispelled. But the quest quickly turns deadly—Dee and Dudley arrive in Glastonbury to discover the town mourning the gruesome execution of its abbot, and more death soon follows at the old abbey. Racing to uncover the secrets buried there, Dee finds himself caught in the tangled roots of English magic, unexpected violence, the breathless stirring of first love... and the cold heart of a complex plot against Elizabeth.

Journey to the legendary Isle of Avalon and experience the magic, mysteries, and mysticism that have inspired women throughout the ages. Jhenah Telyndru, founder of the Avalonian Tradition, invites you on a unique spiritual path of healing and personal revelation built upon the beloved Avalon mythology. Connect with the Goddesses of Avalon through guided journeys and powerful rituals. Explore Glastonbury's Sacred Landscape with eight pages of gorgeous color photographs. Develop legendary Avalonian skills—such as the Sight and the art of Glamour—to heal wounds of the soul and unlock the sacred wisdom at the core of your being. Drawing on Celtic mythology, Arthurian legend, and Druidic lore and exploring the way of the priestess as alluded to in Marion Zimmer Bradley's The Mists of Avalon, the Avalonian path empowers women everywhere to transform their lives by seeking the Goddess and the Sovereign self within.

Includes information on hotels and resorts, restaurants, beaches, walking and driving tours, nighttime entertainment, shopping, and sights of interest

The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends... reading it is a deeply moving and at times uncanny experience... An impressive achievement."—The New York Times Book Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

When Avalon moves to the city her life is turned upside down. Starting at a new high school, she finds herself at the center of a brutal cyber-bullying campaign. Inundated with obscene text messages, subject to increasingly vicious web site postings, and feeling miserable and isolated, Avalon relies on a small group of new friends. But as the threats escalate, she wonders if anyone is safe.

In accordance with prophecy, Avalon's existence is threatened in the year that stars stop shining and at the time when both the dark child and Merlin's heir are to be revealed.

This book critically analyzes recalls of toys, carsand other products announced in the U.S. since 1974. By empirically examining the phenomenon from multiple perspectives, including design and manufacturing flaws, supply chain issues, number of injuries and how to manage recalls on a global scale.

A tale of the origins and history of Avalon and the prophecy of the birth of the great King Arthur is revealed through the successive lives of three powerful priestesses--Cailllean, Dierna, and Viviane, the Lady of the Lake.

A novel of England during the Viking era, from an author who "has vividly and colorfully portrayed life during the tumultuous Dark Ages" (Historical Novels Review). The last quarter of the tenth century was a time of conflict and exploration—while the Anglo-Saxons fought against the Vikings, Norsemen voyaged into the unknown looking for new lands to pillage, and so discovered America. Prince Rumon of France, descendant of Charlemagne and King Alfred, was a searcher. He had visions of the Islands of the Blessed, perhaps King Arthur's Avalon, "where falls not hail, or rain, or any snow." Merewyn grew up in savage Cornwall—a lonely girl, sustained by stubborn courage and belief in her descent from great King Arthur. Chance—or fate—in the form of a shipwreck off the Cornish coast brought Rumon and Merewyn together, and from that hour their lives were intertwined. Bound by his vow to her dying mother, Rumon brings Merewyn safely to England, keeping hidden the shameful secret of her birth. He considers his responsibility ended. At court, he is dazzled by the beautiful Queen Alfrida—but when a murderous truth is revealed, he turns to Merewyn, only to discover that he may have lost her. And he will journey across the Atlantic to find her again... From the beloved bestselling author of Katherine and Dragonwyck, this is a romantic tale of history and adventure "characterized by an authentic sense of time" (The New York Times Book Review).
