homeowner.

REPRINT. pp.200. B & W illustrations. This book is intended for the home craftsman who wants to make all sorts of things in wood from a table lamp to a rabbit hutch. To the tradesman

Read Online Basic Carpentry Illustrated

carpentry refers to the constructional woodwork of a house-the roof, flooring, and so on. To the man in the street, however, it generally means the making of almost every thing in wood; hence the general character of the designs we give.

Read Online Basic Carpentry Illustrated

We give a range of comparatively simple designs for objects to make which we know from experience to be in everyday demand; small general items, pieces of furniture, and garden woodwork. These are followed by instructions on the use of tools,
