~~Bestselling Author and International
Speaker - Andrew Matthews~~

Andrew Matthews has an innate wisdom when it comes to understanding human nature. At least it rings true to my ears, but that could just be my opinion. He claims that some people act nasty because of low self esteem, it could just be that some people are plain nasty but the way he writes shows that he is a very good person psychologically because he believes there is a reason for everything.

"Being Happy! is about why you spill spaghetti bolognese only down the front of your BEST suit. It's about why some people always seem to be in the right place at the right time and how you can be like them. It's about why you can drive an old wreck for fifteen years and never scratch it ... and then dent your new car after two days. It's about understanding yourself, being able to laugh at yourself, becoming more prosperous and being able to forgive yourself. Features 70 of Andrew Matthews' cartoons"--Amazon.com.

understand themselves and become in every way happier. The author's writings cover many aspects of life, among them attitudes, confidence, luck, success, depression, humour, forgiveness and many more. The book draws on everyday experiences and attitudes to show how we can change things for the better by adopting new approaches to people and situations. In an increasingly hard and insensitive environment, the secret of this book's success must be its relevance to the real life problems which all of us face, as well as the way in which the author provides some positive answers.
