I'd never read anything by Fern Michaels but she is a best selling author so I thought I'd give it a shot. The premise was very interesting and timely with the recent outcome of the Casey Anthony trial and the release of the West Memphis Three. Basically, it's about a man who is accused of molesting a child.

Betrayal, by Fern Michaels

I have never written a review on audible but I am forced to for Betrayal. This was the first Fern Michaels book I've read and was expecting a lot more from a New York Times bestselling author. I almost didn't get through this one and I certainly won't read another. The premise of the story is good.
