Walking was almost beyond him, but somehow he managed it, feeling more like he was swimming against the tide. One step. Two. He fixed his gaze on the archway. He had to walk back through the veil. Everything would make sense again if he could just reach it. Another step. Another. He was within an inch of the veil. Sirius stepped forward.

The series is hosted by Boris Karloff, who also acts in every episode but one. Episode plots allegedly were based upon real-life reports of supernatural happenings and the unexplained. Ten of the 12 episodes begin and end with Karloff standing in front of a roaring fireplace and inviting viewers to find out what lies "behind the veil".

Stevie Woods has written a captivating historical novel in Beyond the Veil. The characters draw you not only into the tale itself, but also into the time. I enjoy how Stevie doesn't just give you a story, but touches on history and delivers a bit of your past intertwined with interesting characters and plots.

The series was released to the public for the first time in the late 1990s. In 1968, footage from the episodes were edited into the following TV movies: Destination Nightmare (1968) (TV), Jack the Ripper (1968) (TV), and Veil, The (1968) (TV).

~~The Veil (TV Mini Series 1958) - IMDb~~

"Beyond the Veil" was a well written story with likeable, alluring, and despicable characters. It has an intriguing plot and in likeness to the characters in the story, their being half-human and half-demon, the book also leans on a half fantasy and half real-like world with a strong, identifiable leading female character named Muse.
