*Building maintenance economics and management*

Few sources cover the economics of building maintenance and none discuss the important aspect of how building maintenance impacts on broader economic and development issues. The paper discusses building maintenance in the context of the six forms of capital usually encompassed in World Bank development projects (human, institutional, cultural, natural, physical, and financial) and as such contributes to the economic analysis of building maintenance.

Report: Economic Significance of Maintenance Report 2020. Maintenance expenditure is rising, as measured by value of output, proportion of Gross Domestic Product (GDP), and as a percentage of the replacement value of the stock of buildings and works to be maintained. These are the results of a special report commissioned by BCIS\*, which examined all available statistics to arrive at an estimate of the total expenditure on maintenance in the UK.

NRM3 defines "whole life costing" as; "...a methodology for the systematic economic evaluation used to establish the total cost of ownership, or the whole life costing of option appraisals.

*Whole-life costs for buildings WLC - Designing Buildings Wiki*

Abstract. The performance of hospital buildings depends to a large degree on the efficiency of maintenance execution. The research objectives were to examine the efficiency of maintenance under alternative maintenance policies and alternative sources of labour (outsourcing vs. in-house). The research focused on maintenance of hospital buildings as a model for multi-system buildings operating in dynamic environments.

*Building, Planning and Construction Management ...*

Performance-based facility management – an integrated approach Abstract Increasing demand for healthcare services worldwide creates continuous requirements to reduce expenditure on "non-core" activities, such as maintenance and operations. At the same time, owners, users, and clients of healthcare expect improved performance of built-facilities and minimized risks.
