Clean Language Revealing Metaphors And Opening Minds [EPUB]

Clean language is a technique primarily used in counseling, psychotherapy and coaching but now also used in education, business, organisational change and health. It has been applied as a research interview technique called clean language interviewing. Clean language aims to support clients in discovering and developing their own symbols and metaphors, rather than the therapist/coach/interviewer suggesting or contributing their own framing of a topic. In other words, instead of "supporting" the
