### Calisthenics: Everything You Need To know

It's complicated—and maybe even a little silly—but burpees are one of the best exercises for a reason: They work. Start in a standing position, squat down and put your hands on the ground, kick your feet out and do a push-up. Tuck your feet back under you, and spring up out of your crouch with a leap. That's a burpee.

### The 7 Best Exercises for a Full-Body Workout | ACTIVE
