Cruise ship engine room - YouTube

'Behind the Fun' will give guests the unique opportunity to explore beyond the public areas with visits to the ship's bridge, engine control room, main galley, staff dining areas, storeroom, laundry and other spaces for a rare insider's view of many areas typically seen only by the ship's crew. The tour is extremely exclusive, it is only offered once during the cruise, on the last sea day and is limited to only 16 participants.

Carnival 's ' Behind the Fun' Ultimate Tour | Carnival ...

Carnival does an excellent 'Behind the Fun' tour which DW and I really enjoyed on the Fasination last year. The Engine Room is really the 'manuvering' area, not the diesels and heavy machinery. you see the 'I-95' lower deck areas, the bridge, manuvering, crew areas and some other areas that escape me now.

Fantasy Engine Room and Bridge Tours | The DIS Disney ...

Cruise ship engine room. The basic detail about the cruise ship engine room is its location. For stability, the ship's heaviest weights are at its lowest possible deck, and usually, engines are mounted above the keel. Ship's
