You know what you're getting when you read a Goosebumps book, and this one isn't a disappointment. Loosely speaking, it follows the story of a young boy called Matt who's not too happy with his family life. But then, when he goes to sleep in the spare room, he wakes up to find that everything has changed, and not necessarily for the better.

Don't Go to Sleep! is one of my favorites, but the first book I received, a reprint cover with the orange and blue, had the cover and back cover totally bent and shrink-wrapped. I ordered another one, and this one was an original cover version, like the photo above, but the front cover was also bent.

Matt hates his tiny bedroom. It's so small, its practically a closet! Still, Matt's mom refuses to let him sleep in the guest room. After all, they might have guests. Some day. Or year. Then Matt does it. Late one night. When everyone's in bed. He sneaks into the guest room and falls asleep. Poor Matt. He should have listened to his mom. Because when Matt wakes up, his whole life has changed. For the worse. And every time he falls asleep, he wakes up in a new nightmare...

Discovering the creatures of his basement worm farm in unlikely and unwanted places, like his bed, his toothbrush, and his spaghetti, worm-obsessed Todd finds himself grossed out by the very things with which he used to torture his sister.

The original series from the Master of Fright--now a major motion picture in theaters August 7, 2015!

"Don't do this! Watch out for that!" Marco's mom thinks the whole world is a danger zone. She won't even let Marco play softball. But Marco just wants to have fun. So he sneaks off to a game. And that's when it happens. He gets hit in the head with a baseball bat. Now things are getting really fuzzy. Really scary. Because when Marco gets home he gets the strangest call. From someone who says he lives in Marco's basement...

Harry and his brother, Alex, are dying to fit in at Camp Spirit Moon. But the camp has so many weird traditions. Like the goofy camp salute. The odd camp greeting. And the way the old campers love to play jokes on the new campers. Then the jokes start to get really serious. Really creepy. Really scary. First a girl sticks her arm in the campfire. Then a boy jams a pole right through his foot. Still, they're just jokes...aren't they?

The infamous, Most Wanted Goosebumps characters are out on the loose and after you. Just in time for Halloween, a super special edition! Sammy Baker is a quiet kid who wishes he wasn't so shy and timid. He is frightened but eager to prove he can be brave. On Halloween night, he follows his friends to the Marple House, an abandoned mansion on the other side of town. Just past midnight, he feels a cold tingle at the back of his neck. The cold seeps down, a heavy chill he has never felt before. Soon, his whole head feels like a block of ice. He's about to scream-but the cold feeling vanishes. Sammy doesn't realize that he has just met The Haunter, and that his nightmares are only just beginning.

Do you spook easily? Well, if you're sure, why not open this book. You might discover the truth about flying; get to know chickens very well; or you might be too terrified ever to close your eyes again

Trick cards, floating scarves, disappearing doves. Tim Swanson loves magic tricks. Someday he wants to be a real magician. Just like his all-time favorite performer, Amaz-O. But then Tim goes to see Amaz-O's show. And he finds out his idol is really just a total grump. That's when Tim decides to steal the bag of tricks. Amaz-O's bag of secret tricks. Scary tricks. Like the one with the multiplying red balls. And all those hissing snakes...

Wilson Schlame loves to make Jack Johnson feel like a total loser. And Jack's had it. That's how he ended up down at the beach. In a creepy, old abandoned house. In the dark. Trying to hide from Wilson. But everything is about to change. Because Jack just dug up the coolest book. Its called Flying Lessons. It tells how humans can learn to fly. Poor Jack. He wanted to get back at Wilson. But now that Jack's learned how to fly, things down on earth are getting really scary...
