War makes strange bedfellows in this "awesome read . . . the perfect mix of mystery, action, and romance" from the New York Times bestselling author (BTH Reviews). I, Gaius Domitus, one-eyed rebel dragon king of the Provinces, know better than most that sacrifices must be made, since I have to fight off half my ungrateful family on a regular basis to keep law and order here in my lands. But I never expected to have to consort with a barbarian human woman. Kachka is beautiful, if you like them fierce--and of course I do. But she keeps complaining about how spoiled and decadent I am, and how a feared Daughter of the Steppes has no time for foolish dragons. I think she likes my eye patch, though. It is quite dashing. With death always at our tails, we take our passion like we take our allies. As they say, love the barbarian you're with . . . Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."--RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."--All Things Urban Fantasy "Laugh-out-loud funny--I loved it!"--Thea Harrison, New York Times bestselling author

Sanity is overrated in this "captivating, funny, exciting" fantasy adventure from the New York Times bestselling author of the Scarred Earth Saga (Smexy Books). Some things never go away, like vile enemies, bad ale, and annoying kin. But I thought I was finished with the one dragon I'd have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn't need it--namely me--I'll let him. Because while I'm trying to fulfill a ridiculous quest for a pushy god, I'm going to draw this overconfident warlord much too close, rekindle his fires, and enjoy every minute of his delicious defeat . . . Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."--RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."--All Things Urban Fantasy "Laugh-out-loud funny--I loved it!"--Thea Harrison, New York Times bestselling author "A hot, hot series." --Library Journal

The New York Times bestselling author "brings back her irresistibly humorous, snarky, action packed, violent and outrageously larger than life dragons" (Smexy Books). HE SAYS . . . I, Aidan the Divine, am, well divine. My name was given to me by the Dragon Queen herself! I'm a delight! Cheerful. Charming. And a mighty warrior who is extremely handsome with a very large and well-hidden hoard of gold. I am also royal born, despite the fact that most in my family are horrendous beings that don't deserve to live. And yet, Branwen the Awful--a low-born, no less--either tells me to shut up or, worse, ignores me completely. SHE SAYS . . . I'll admit, I ignore Aidan the Divine because it annoys him. A lot. But, we have so much to do right now, I can't worry about why he keeps looking at me like he's thinking about kissing me. We have our nations to save and no time for such bloody foolishness . . . no matter how good Aidan looks or how long his spiked tail is. Because before this war destroys everything we love, we'll have to face our enemies together. But if we make it out alive, who knows what the future will hold . . . Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."--RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."--All Things Urban Fantasy "Laugh-out-loud funny--I loved it!"--Thea Harrison, New York Times bestselling author "A hot-hot series." --Library Journal & l

"Personable characters and superb storytelling make this an excellent choice. . . . Essential for Pern fans of all ages."--Library Journal (starred review) The son of a miner, Kindan has no expectations for any other life. He loves his lessons with the camp's harper, but music isn't part of a miner's future. He also enjoys helping out with the camp's watch-when--a creature distantly related to dragons and uniquely suited to work in dark, cold spaces--but even that important job can't promise a future above the ground. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-when. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. "A guaranteed pleaser [in] one of SF's most splendid and longest-lived sagas."--Booklist "Another delightful entry in the Pern series."--Publishers Weekly

"There's never a dull moment with these dragons. Fighting! Mayhem! Danger! . . . a fun read" from the New York Times bestselling author (Vampire Book Club). I was raised for battle. And as the first daughter of a warrior family, I've earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it's the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best--destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I'm going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways . . . Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."--RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."--All Things Urban Fantasy "Laugh-out-loud funny--I loved it!"--Thea Harrison, New York Times bestselling author

While battling against her greatest enemies, a warrior princess is torn between her fierce desire for an arrogant knight and her feelings for a powerful dragon. Original.

"Expect a lot of humor, snarky remarks, and great chemistry" in this fantasy adventure from the New York Timesbestselling author of About a Dragon (Under the Covers Book Blog). Only for those I love would I traipse into the merciless Northlands to risk life, limb, and my exquisite beauty. But do they appreciate it? Do they say, "Gwenvael the Handsome, you are the best among us--the most loved of all dragons?" No! For centuries my family has refused to acknowledge my magnificence as well as my innate humility. Yet for them, and because I am so chivalrous, I will brave the worst this land has to offer. So here I stand, waiting to broker an alliance with the one the Northlanders call The Beast. A being so fearful, the greatest warriors will only whisper its name. Yet I, Gwenvael, will courageously face down this terrifying . . . woman? It turns out the Beast, a.k.a. Dagmar Reinholdt, is a woman--one with steel-gray eyes and a shocking disregard for my good looks. Beneath her plain robes and prim spectacles lies a sensual creature waiting to be unleashed. Who better than a dragon to thaw out that icy demeanor? And who better than a beast to finally tame a mighty dragon's heart? Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."--RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."--All Things Urban Fantasy "Laugh-out-loud funny--I loved it!"--Thea Harrison, New York Times bestselling author

The New York Times bestselling author offers "absolutely everything a reader could want in a book: action, sex, craziness, passion, lunacy and . . . humor" (Fresh Fiction). The trouble with humans is that they're far too sensitive. Forget you put a woman in the local jail for a few months--and she takes it so personally! And yet she is the one trying to assassinate the queen. And now I'm trapped with Elina Shestakova of the Black Bear Riders of the Midnight . . . gods! That endless name! But what am I to do? I am Celyn the Charming with direct orders from my queen to protect this unforgiving female. Even more shocking, this unforgiving female is completely unimpressed by me. How is that even possible? But I know what I want and, for the moment, I want her. And I'm sure that she, like all females, will learn to adore me. How could she not when I am just so damn charming? Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."--RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."--All Things Urban Fantasy "Laugh-out-loud funny--I loved it!"--Thea Harrison, New York Times bestselling author

Renowned for his fighting prowess, Ailean the Wicked has a new conquest in mind--the gorgeous dragoness Shalin the Innocent. While he's saving her from her enemies, he plans to prove that even in human form a bad-boy dragon can show a girl a good time that's truly off the scale . . . The unputdownable second half of New York Times bestselling author G.A. Aiken's wildly funny, hot and unmistakably kick ass Dragon Kin series. The Dragon Who Loved Me Rhona the Fearless must fight alongside uncivilized male Northland dragons who think a female is only good for breeding. But only fools would try to stop her from doing what she does best--destroying the enemies of her kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do is stay out of her way . . . How to Drive a Dragon Crazy Izzy thought she was finished with the one dragon she'd have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who wants to protect her from danger. Feel the Burn Gaius Domitus, the one-eyed rebel dragon king, must fight off half of his ungrateful family on a regular basis to keep law and order in his lands. But he never expected to have to consort with a barbarian human woman. Kachka may be beautiful and fierce, but the feared Daughter of the Steppes has no time for foolish dragons.
