The American Fraternity is a mysterious photo and ritual book that lifts the veil on America's oldest and most influential male tradition. The text comes from a decaying ritual manual from a prominent college fraternity. Seventy-five percent of modern U.S. presidents, senators, justices, and executives have taken arcane oaths of allegiance like the ones it contains. Six decades of red ceremonial wax stain it like blood. It is filled with dark power.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Citing a pervasiveness in mental health problems and suicide among today's high-school and college-aged students, a bipolar patient and advocate draws on anecdotal research to evaluate the ways in which the stigma against mental health is prohibiting effective treatments. Original.

REALIDADES is a Standards-based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's Spanish students.
