Homegrown Tea: An Illustrated Guide to Planting ...

Making hand-crafted gifts takes time and planning. Homemade tea blends are great stocking stuffers, and usually they keep for six to 12 months in an airtight container. Pair a half-pint mason jar of DIY tea with a cute tea ball, and you have a great little gift to tuck away until the holidays. These also work well for non-holiday gifts, of course.

Make your own homemade tea blends with these 8 recipes!

Tea is a perfectly simple way to access the health benefits of herbs. The quiet ritual of preparing and sipping a cup of tea is a wonderfully relaxing and peaceful practice. Creating your own tea blends is easy and much less expensive than buying some of the pre-made bags at the store. Homemade tea also makes a delightful herbal gift.

Homemade Herbal Teas - Country Living

Camellia sinensis, or tea plant is the most popular plant used for tea-making on earth. Commercial growers use it to produce white, green, oolong, and black teas, using various parts of the plant at different stages of growth, combined with different processing methods, to come up with these various types of tea.

60 Herbal Plants to Grow for Homemade Tea | Empress of Dirt

Tea, is in fact a Camellia, and I grew it because that's what we do. We grow Camellias in my family owned business and have done so for over 60 years. I began looking at it as not just a beautiful blooming shrub, but as a way that I can bring a safe edible to my table. And I have to mention, that it's just so much fun to make your own tea!
