An inspiring visual guide to a richer life. "If there's a thinker to steal from, it's Jessica Hagy."—Austin Kleon, author of *Steal Like an Artist* and *Newspaper Blackout* *How to Be Interesting* is passionate, positive, down-to-earth, and irrepressibly upbeat, combining fresh and pithy life lessons, often just a sentence or two, with deceptively simple diagrams and graphs. Each of the book's more than 100 spreads will nudge readers a little bit further out of their comfort zones and into a place where suddenly everything is possible. It's about taking chance—but also about taking daily vacations. About being childlike, not childish. It's about ideas, creativity, risk. It's about trusting your talents and doing only what you want—but having the courage to get lost and see where the path leads. Because it's what you don't know that's interesting.

THE classic work about changing yourself and how others see you from the world-renowned writer and philosopher Edward de Bono People spend vast amounts of money, time and energy to achieve and maintain beauty, and yet despite its undisputed importance few of us devote similar efforts to be interesting. It is often thought that intelligence, beauty and confidence make you more interesting. This is not true. Being interesting is actually a state of mind. In *How to be More Interesting*, lateral-thinking guru Edward de Bono reveals how playing with ideas, making connections, speculating and using the imagination are at the heart of being an interesting person. With seventy exercises that will help you bring humour, insight and surprise to everyday situations, this book will ensure that people not only find you fascinating company but also won't be able to forget you.

"Human behavior investigator Vanessa Van Edwards studies the hidden forces that drive our behavior patterns ... she shares a wealth of valuable shortcuts, systems and behavior hacks for taking charge of ... interactions at work, at home, and in any social situation"--

De Bono teaches ordinary people leading ordinary lives the skills to be more interesting. With more than 70 stimulating exercises de Bono helps develop the "playground" of the mind where interest is created.

The first edition of this popular and acclaimed book quickly became a favourite among students for the engaging way in which it guided them through the cacophony of competing perspectives and models of leadership. This new edition includes an expanded discussion of hot topics like followership, gender, ethics, authenticity and leadership and the arts set against the backdrop of the global financial crisis. In teaching you how to critically appraise and work with leadership theories rather than faithfully accept them, this book will not merely make you a better student of leadership; it could make you a better leader too.
