In *The Visit* (original title *Der Besuch der alten Dame*), Claire Zachanassian, now a multimillion heiress and an older woman, returns to the impoverished town of her youth with a dreadful bargain: in exchange for returning the town to prosperity through her vast wealth, she wants the townspeople to kill the man who jilted her. From its subtle exploration of parochial politics to its horrific climax, *The Visit* shows a population willing to sacrifice loyalty and scruples in the pursuit of riches. It is a drama of the absurd that reduces human nature to its most ridiculous depths. Dürrenmatt was one of the most important figures of modern European drama and *The Visit* remains both a powerful critique of twentieth century civilisation and an outstanding piece of experimental theatre.

Build confidence in a range of key essay writing techniques and skills with this practical companion, full of advice and guidance from experienced EE experts. · Build essay writing techniques and skills through a range of strategies, serving as a useful companion throughout the writing process - from the development of a research question, critical-thinking, referencing and citation to reflecting on the process and final essay · Concise, clear explanations help you navigate the IB requirements, including advice on assessment objectives and academic honesty · Learn what is required to get the best EE grades and write an excellent essay with detailed examiner advice and expert tips and hints, including common mistakes to avoid ·
