The medical insurance specialist details the importance of the medical insurance specialist in the business of the medical office. Increased focus on electronic filing/claims submission prepares readers for the industry-wide transition to electronic claims submission. Separate chapter on documentation in the medical office covers the principles of medical documentation and the rationales for it. "Service to Patient" features in most chapters offer examples of good customer service. User resources on the Evolve companion website feature performance checklists, self-assessment quizzes, the Student Software Challenge (with cases on different payer types and an interactive CMS-1500 (02-12) form to fill in). NEW! Expanded coverage of ICD-10 prepares users to code ICD-10 with the planned effective date of October 2015. NEW!
