Kumon knows book learning is a pillar of student success – but other factors can boost academic skills to new levels. By instilling critical thinking skills, our self-learning program frees students from many of the typical restrictions and limitations of education. 3.

After School Math & Reading Programs - Kumon
Like McDonalds, profit is the big motive. Kumon is worth over \$650 million, made from charging \$100 a month, taking 40% from franchisees, and employing young and poorly paid support staff. Kumon students typically visit the study centre once or twice a week and are given homework to do for the other 6 days.
