How to Learn Small-
Engine Repair. by
Sam N. Austin

Updated

September 26,

2017. The term

"small engine"

generally refers to

gas-powered

engines of 25

horsepower or less.

Get Free Learn Small Engine Repair At Home

Machines that use small engines include outdoor tools such as lawn mowers, wood chippers, gas-powered generators and power washers. Small-engine repair differs from regular engine repair work for automobiles in terms of the
