wish you could get people to do what you want them to do? Do you think you may be being manipulated and you're not sure what to do about it? Are you a manipulator or are you being manipulated? Sometimes its not so easy to tell! Interpreting people by understanding the verbal and non-verbal cues they give us can provide something beyond a superficial reading of their behavior. Adding psychology to a sociological analysis of human behavior provides a broader, deeper pool of information, especially when seen through the lens of communication. When we're able to interpret people where they stand, it's possible to exploit the information they freely offer and steer them toward our desired outcome. While manipulation may have a bad name, it's not always a bad thing. Sometimes being able to manipulate people can lead to desirable outcomes for all involved. The trick is to know how to achieve this effect without those you're manipulating catching on. In this book, "Manipulation," you will learn: How the term 'manipulation' can be deciphered What leads people to manipulate others into doing things a certain way How to 'manipulate' in the real sense of the term using body language and communication The role of verbal and non verbal communication in manipulation Improve communication skills to improve your manipulation skills Neuro Linguistic Programming and its role in manipulation NLP to master the art of manipulation How to be tactical in order to secure a win Common mistakes to avoid The psychology of influence and manipulation Applying social manipulation Using the easy steps described in this book, you will be able to use the art of manipulation to influence people in your life. ignore or reject your offer and life seems unfair to you? If you are new in the art of manipulation, then this is the book that you have been waiting for to learn about how one can quickly have control over others. Gaining control over someone and making them do what you want may become one of the most challenging practices to undertake, especially when you are a beginner. However, if you use a popular technique, you are probably on the right track to make them follow your lead. Always remember that learning about the art of manipulation and putting into practice are two separate things. As such, inside this book, you will find the most valuable information about the art of manipulation and how to go about it. This book begins with understanding what manipulation is all about and the primary definition of what it means. You will learn about variations between to manipulate and influence someone, which is usually two different terms at first. The book, therefore, highlights emotional manipulation techniques essential for a beginner who has limited knowledge about this topic. You will also learn about the underlying emotional manipulation tactics, which are common uses to persuade victims who are usually termed as inferior in a relationship. You will also learn about blackmail, which is also another technique of manipulation but with a deeper understanding of emotional manipulation. In most cases, blackmails have been extended and used across different areas in society, including the government. The same case also includes blackmails in intimate relationships where one partner tends to control another. Inside this book, you will also find the art of putting down the other person in the form of manipulation, which is often experienced in workplaces, schools, and social meetings. You will also learn about lying and how it becomes a form of deception which affects another individual. Lying has also been used as a tool to escape punishment, but with the emergence of technology and the use of professional
