Romanian woman's words send a chill down Lieutenant Eve Dallas' spine. And soon Eve notices some interesting side-effects: visions of the deceased and even fluency in Russian. Against her better judgment, Eve is convinced the spirit of the old woman is inside her, unable to rest until she's found her great-granddaughter who vanished two months ago. Desperate to be back to normal, Eve realises a string of young women have gone missing, and if Eve doesn't find them, no one will. Set between Indulgence in Death and Treachery in Death.

This book charts the growth and achievements of one of the world's most important industries. The authors, two leading figures in the German automotive industry, describe the strategies that have led to the German industry's great success. They also discuss how German auto manufacturers are meeting challenges from emerging worldwide competitors. This book demonstrates what can be achieved with first-class management, marketing, branding, innovation and clear strategic aims, and as such it holds valuable lessons for managers in all industries.
