M: Organizational Behavior, 4th edition by McShane and Von Glinow delivers essential OB knowledge in an accessible, student-focused style. Students learn the latest concepts and associated workplace practices, with real-world examples to demonstrate their relevance. This book builds on the strengths of the main textbook, including a strong literature foundation, excellent readability, meaningful exhibits, and a global representation of examples. Through Connect, students also have access to dozens of self-assessments and learning activities.Our most affordable offering, this book also adopts the view that OB is for everyone in organizations, not just for managers.

Delivering what we've come to expect from this author team, McShane/Von Glinow 5e helps everyone make sense of OB, and provides the conceptual tools to work more effectively in the workplace. In their new Fifth Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. McShane and Von Glinow 5e is acclaimed for: Readability, presentation of current knowledge Strong International/Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy-OB knowledge is for everyone, not just traditional managers. Reality is that everyone: sales representatives, production employees, physicians 0 needs OB knowledge to successfully thrive in and around organizations. The authors' ability to engage students by introducing cutting-edge OB topics while providing relevancy to OB concepts through the 'linking theory with reality' approach, is the reason OB 5e remains unparalleled in its ability to engage students. Hundreds of fascinating real-life stories captured from around the world. 'Linking Theory with Reality', remains one of the text's key, hearty features. The first to bring OB cutting edge topics, OB 5e continues introducing students to the present and future context of emerging workplace realities: social networks and virtual teams replacing committee meetings, knowledge replacing infrastructure, values and self-leadership replacing command-and-control management; companies looking for employees with emotional intelligence and team competencies, not just technical smarts. Diversity and globalization have become challenges as well as competitive opportunities for organizations. Coworkers aren't just down the hall; they're at the other end of an Internet connection located around the world, and much, much, more.

The Fourteenth Edition of the award-winning Organizations: Behavior, Structure, Processes is based on the idea that managing people, structure, and processes in organizations is a challenging, compelling, and crucial set of tasks. This book illustrates how organizational behavior theory leads to research and how both theory and research provide the basic foundation for practical applications in business firms, hospitals, educational institutions, government agencies, and other organizations. Readers are given the opportunity to look inside these organizations and to develop their own perspective and skills for managing organizational behavior. In recognition of its educational effectiveness, in 2005 the book received the Text and Academic Authors Association's McGuffey Longevity Award.

This text includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises. It also offers a greater focus on the hot topic of ethics throughout the entire book to ensure it is contemporary and engaging.É

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise fundamentals for students. Ultimate flexibility for instructors. This bestselling, brief alternative for the OB course covers all the key concepts needed to understand, predict, and respond to the behavior of people in real-world organizations. This text also includes cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. The eleventh edition contains expanded and updated coverage on international issues, as well as new sections on the management of information, safety and emotions at work, risk aversion, self-determination theory, managing information, and downsizing. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion/be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources.
