Yes, she has finally tied the knot, but can she keep it from unraveling? Sixth in the series.

**Miss Julia's School of Beauty - Audiobook | Listen Instantly!**

This particular book, Miss Julia's School of Beauty was about a local beauty contest as well as Miss Julia's recent marriage but started out very slow and was mostly about Miss Julia's musings. It is still a good Miss Julia novel and I am a fan but it was not quite a five star.

Helping organize a beauty pageant to raise money for the sheriff's department, recently married Miss Julia instructs contestants in the ways of poise and etiquette while settling squabbles in her new home, tasks that are challenged by a dangerous accident at her former homestead. By the author of Miss Julia Meets Her Match. Reprint. 125,000 first printing.

Miss Julia, a recently bereaved and newly wealthy widow, is only slightly bemused when one Hazel Marie Puckett appears at her door with a youngster in tow and unceremoniously announces that the child is the bastard son of Miss Julia's late husband. Suddenly, this longtime church member and pillar of her small Southern community finds herself in the center of an unseemly scandal--and the guardian of a wan nine-year-old whose mere presence turns her life upside down. With razor-sharp wit and perfect "Steel Magnolia" poise, Miss Julia speaks her mind indeed--about a robbery, a kidnapping, and the other disgraceful events precipitated by her husband's death. Fast-paced and charming, with a sure sense of comic drama, a cast of crazy characters, and a strong Southern cadence, Miss Julia Speaks Her Mind will delight readers from first page to last.

The follow-up to Ann B. Ross's beloved debut that kicked off the New York Times bestselling series. Look out for Ann Ross's newest, Miss Julia Raises the Roof, coming April 2018 from Viking. When Miss Julia burst on the scene in her fictional debut, Miss Julia Speaks Her Mind, this proper lady of a certain age found her orderly world turned upside down when Hazel Marie Puckett appeared with her nine-year-old son, Little Lloyd, who looked disturbingly similar to Miss Julia's late husband. Now, in Miss Julia Takes Over, with her sharp tongue and iron backbone intact, Miss Julia must tackle another disruption when Hazel Marie doesn't return from a dinner date with a fund-raiser who, in Miss Julia's opinion, wears his shorts too tight. Frantic and unable to persuade the local police that Hazel Marie is in danger, Miss Julia hires J. D. Pickens to investigate, despite her reservations about his taste for beer and women. She and Little Lloyd help search for Hazel Marie, running into adventures ranging from a most indelicate display of fisticuffs to a high-speed car chase on the track of a NASCAR Speedway, all the while standing strong ...because if Miss Julia doesn't take care of things, who will? Fast paced, funny, and full of colorful characters you'll want to meet again and again, Miss Julia Takes Over is a zany race through the South you'll not soon forget.

When Hazel Marie's troublemaking uncle makes a scandalous claim about Little Lloyd's paternity, Miss Julia takes on the unpleasant task of conducting DNA testing to see if her late husband and son are truly related. By the author of Miss Julia's School of Beauty. 75,000 first printing.

From the New York Times bestselling author, comes a delightful story in which Miss Julia discovers the joy of giving and receiving gifts--and just in time for Valentine's Day! Featuring the beloved stars of the Miss Julia novels--Luanne, Lillian, Hazel Marie, and of course, Miss Julia herself--Miss Julia's Gift is a funny and moving meditation on love, marriage, and the purpose of gift-giving. Miss Julia finds herself reminiscing about her first year of marriage to Sam Murdoch. Everything seemed perfect--alarmingly so. Miss Julia feared that Sam would morph from a sweet and loveable man into a replica of her loathsome first husband, the boring and deceitful Wesley Lloyd Springer. Even Sam's adorable habit of giving her gifts for all holidays and occasions--no matter how minor--caused Miss Julia anxiety. When will the other shoe drop, she wondered? After some soul-searching and valuable advice from her friends, Miss Julia comes to understand that Sam is nothing like Wesley--and never will be. Then, just in time for Valentine's Day, she thinks up the perfect romantic gift for her husband and realizes which gift she values most of all.

Lulu and Merry's childhood was never ideal, but on the day before Lulu's tenth birthday their father propels them into a nightmare. He's always hungered for the love of the girls' self-obsessed mother; after she throws him out, their troubles turn deadly. Lulu had been warned not let her father in, but when he shows up drunk, he's impossible to ignore. He bullies his way past Lulu, who then listens in horror as her parents struggle. She runs for help, but discovers upon her return that he's murdered her mother, stabbed her five-year-old sister, Merry, and tried, unsuccessfully, to kill himself. Lulu and Merry are effectively orphaned by their mother's death and father's imprisonment. The girls' relatives refuse to care for them and abandon them to a terrifying group home. Even as they plot to be taken in by a well-to-do family, they come to learn they'll never really belong anywhere or to anyone—that all they have to hold onto is each other. For thirty years, the sisters try to make sense of what happened. Their imprisoned father is a specter in both their lives, shadowing every choice they make. One spends her life pretending he's dead, while the other feels compelled--by fear, by duty--to keep him close. Both dread the day his attempts to win parole may meet with success. A beautifully written, compulsively readable debut, Randy Susan Meyers's *The Murderer's Daughters* is a testament to the power of family and the ties that bind us together and tear us apart.

Following a car accident that claims the life of her passenger, Marissa, June Parker stumbles upon a list that Marissa had written entitled "20 Things to Do By My 25th Birthday" and is compelled by both guilt and a sense of setting things right to complete the list for Marissa, struggling to fulfill a variety of different goals before the deadline while learning more about her own life in the process. Reprint. 20,000 first printing.

After the death of her longtime friend and flatmate, retired British history teacher Julia Garnet does something completely out of character: She takes a six-month rental on a modest apartment in Venice. She befriends a young Italian boy and English twins who are restoring a fourteenth-century chapel. And she falls in love for the first time in her life with an art dealer named Carlo. Juxtaposing Julia's journey of self-discovery with the apocryphal tale of Tobias and the Archangel Raphael, Miss Garnet's *Angel* tells a lyrical, incandescent story of love, loss, miracles, and redemption and of one woman's transformation and epiphany.
