Proceedings of the 24th American Peptide Symposium in Orlando, Florida, June, 2015

For the first time ever, Will Shortz personally selects 75 of his favorite puzzles from his tenure as editor of The New York Times crossword puzzles. Special commentary will appear along with each puzzle and give clever insight into the puzzle-solving world that Will Shortz dominates. Getting to know the background on these puzzles will add a new dimension for the growing number of crossword buffs. Also included is a special introduction written by Shortz that explains why these puzzles qualify as his favorites among the thousands of puzzles he has edited in his career. Since Will Shortz has become crossword editor of the Times, the puzzles have featured increased wordplay, and a hip, contemporary attitude towards crosswording.

This is a memoir by two-time CrossFit Games champion, Katrin Davidsdottir. Dottir is two-time consecutive CrossFit Games Champion Katrin Davidsdottir’s inspiring and poignant memoir. As one of only three women in history to have won the title of “Fittest Woman on Earth” twice, Davidsdottir knows all about the importance of mental and physical strength. She won the title in 2015, backing it up with a second win in 2016, after starting CrossFit in just 2011. A gymast as a youth, Davidsdottir wanted to try new challenges and found a love of CrossFit. But it hasn’t been a smooth rise to the top. In 2014, just one year before taking home the gold, she didn’t qualify for the Games. She used that loss as motivation and fuel for training harder and smarter for the 2015 Games. She pushed herself and refocused her mental game. Her hard work and perseverance paid off with her return to the Games and subsequent victories in 2015 and 2016. In Dottir, Davidsdottir shares her journey with readers. She details her focus on training, goal setting, nutrition, and mental toughness.

A guidebook to the allusions of T.S. Eliot’s notorious poem, The Waste Land , Reading The Waste Land from the Bottom Up utilizes the footnotes as a starting point, opening up the poem in unexpected ways. Organized according to Eliot’s line numbers and designed for both scholars and students, chapters are free-standing and can be read in any order.

Do video games cause violent, aggressive behavior? Can online games help us learn? When it comes to video games, these are often the types of questions raised by popular media, policy makers, scholars, and the general public. In this collection, international experts review the latest research findings in the field of digital game studies and weigh in on the actual physical, social, and psychological effects of video games. Taking a broad view of the industry from the moral panic of its early days up to recent controversies surrounding games like Grand Theft Auto, contributors explore the effects of games through a range of topics including health hazards/benefits, education, violence and aggression, addiction, cognitive performance, and gaming communities. Interdisciplinary and accessibly written, The Video Game Debate reveals that the arguments surrounding the game industry are far from black and white, and opens the door to richer conversation and debate amongst students, policy makers, and scholars alike.

Books in print is the major source of information on books currently published and in print in the United States. The database provides the record of forthcoming books, books in-print, and books out-of-print.

Books in print is the major source of information on books currently published and in print in the United States. The database provides the record of forthcoming books, books in-print, and books out-of-print.

Do you know when the Duke of Albemarle arranged Britain’s first boxing match, between his butler and his butcher? Or when the first speeding fine was issued for exceeding 2 mph in a built-up area? On This Day is a fascinating delve into often significant, and sometimes unusual, moments throughout history.

Discover a fact for everyone, everyday, in this book. Explore a world of topics, from hilarious animals, to unbelievable-but-true science facts, mind-blowing space stats, to incredible human achievements. You can even look up what extraordinary event happened on your birthday! Did you know that Ancient Romans used wee to whiten their teeth, and to do their laundry' Or have you heard of the parrotfish, which covers itself in a cosy, thick layer of its own slime before it goes to sleep' Why not celebrate New Year’s Eve like the Estonians- tuck into seven meals to give you strength for the year ahead. Delicious! It 's most important to know that you should never shake hands with a bushbaby- the animals pee on their paws so that they leave a smelly trail wherever they go. Find out all this and much, much more, with enough facts for even the most curious reader. Also includes seasonal and on this day ' facts for added curiosity and fun, plus a completely random mix of everything else you can imagine. These facts are brought to life with stylish, full colour illustrations from Fatti Burke. Her charmingly beautiful artwork makes this a book to keep coming back to.

Books in print is the major source of information on books currently published and in print in the United States. The database provides the record of forthcoming books, books in-print, and books out-of-print.
