This first of three tales begins the story of a sister and brother, who, while searching for their missing parents in 1920s Shanghai, uncover a mysterious secret society. Includes maps, documents, four full-color gatefolds, and extensive appendices and notes.

Get ready for Book II of the thrilling, novelty-packed Guild of Specialists trilogy. After being lashed by a typhoon on their uncle's ship, THE EXPEDIENT, intrepid siblings Becca and Doug MacKenzie want nothing more than to escape from the volcanic island on which they're stranded and resume the search for their parents. But their uncle, Captain MacKenzie, seems more concerned with the missing gyrolabe than their missing mother and father, and he refuses to discuss the role the mysterious Guild of Specialists played in their disappearance. As the formidable Kalaxx warriors close in on their hidden cove, Becca and Doug unearth a riddle linked to a 1533 painting, which may hold the key to the Guild's dark secrets and to finding their parents. But how can they possibly solve the puzzle and escape with their lives -- before their enemies attack?

This title finds Becca and Doug back at their old family home in Lucknow, India, where they discover research papers containing clues to their missing parents' expedition route and to the location of Ur-Can - the fabled Storm City.

Anna Quindlen first visited London from a chair in her suburban Philadelphia home—in one of her beloved childhood mystery novels. She has been back to London countless times since, through the pages of books and in person, and now, in Imagined London, she takes her own readers on a tour of this greatest of literary cities. While New York, Paris, and Dublin are also vividly portrayed in fiction, it is London, Quindlen argues, that has always been the star, both because of the primacy of English literature and the specificity of city descriptions. She bases her view of the city on her own detailed literary map, tracking the footsteps of her favorite characters: the places where Evelyn Waugh's bright young things danced until dawn, or where Lydia Bennett eloped with the dastardly Wickham. In Imagined London, Quindlen walks through the city, moving within blocks from the great books of the 19th century to the detective novels of the 20th to the new modernist tradition of the 21st. With wit and charm, Imagined London gives this splendid city its full due in the landscape of the literary imagination. Praise for Imagined London: "Shows just how much a reading experience can enrich a physical journey." —New York Times Book Review "An elegant new work of nonfiction... People will be inspired by this book." —Ann Curry, Today "An affectionate, richly allusive tribute to the city." —Kirch Review

Welcome to the Dead House. Three students: dead. Carly Johnson: vanished without a trace. Two decades have passed since an inferno swept through Elmbridge High, claiming the lives of three teenagers and causing one student, Carly Johnson, to disappear. The main suspect: Kaitlyn, "the girl of nowhere." Kaitlyn's diary, discovered in the ruins of Elmbridge High, reveals the thoughts of a disturbed mind. Its charred pages tell a sinister version of events that took place that tragic night, and the girl of nowhere is caught in the center of it all. But many claim Kaitlyn doesn't exist, and in a way, she doesn't - because she is the alter ego of Carly Johnson. Carly gets the day. Kaitlyn has the night. It's during the night that a mystery surrounding the Dead House unravels and a dark, twisted magic ruins the lives of each student that dares touch it. Debut author Dawn Kurtagich masterfully weaves together a thrilling and terrifying story using psychiatric reports, witness testimonials, video footage, and the discovered diary - and as the mystery grows, the horrifying truth about what happened that night unfolds.

Margo, Kate, and Laura were brought up like sisters amidst the peerless grandeur of Templeton House, but each grow to fulfill their own unique destinies in this collection that includes all three novels in the dramatic Dream Trilogy from #1 New York Times bestselling author Nora Roberts. DARING TO DREAM Nora Roberts begins her Dream Trilogy with the story of Margo, a housekeeper 's daughter who picks up the pieces of a shattered dream to start a new one—with the sisters of her heart... HOLDING THE DREAM In the second book of Nora Roberts 's Dream Trilogy, the ever practical Kate Powell finds her career sidetracked by a scandal—one that will teach her the value of family, friendship, and love... FINDING THE DREAM In the final novel of Nora Roberts 's Dream Trilogy, Laura struggles to mend a broken heart and broken family—until someone from her past makes all of her dreams come true...

Trapped and tempted, this battle of wills rages all night long... Kady Dresco and Colton Brooks click on a level that defies logic. There are only two problems. One, he's her older brother's irritating best friend, and two, they're bidding on the same military security services contract. When the competition heats up, Colton is torn between wanting to strangle Kady (and her annoying brilliance) and kissing her into submission. Which is a bad idea for a million reasons, because Kady's submission is exactly what he craves. Being trapped in a tiny motel room with the object of his darkest fantasies will require every ounce of his restraint. Kady doesn't want his restraint, but Colton knows better. She deserves love, marriage, and a white picket fence-three things Colton can't give her. But her proximity and the memory of their steamy near-miss three years ago slowly destroys his resolve. And he's not sure how much longer he can keep his hands off...or his heart closed.

Emily needs a change of scenery. She's been pegged as the "arty girl" by the kids in school — even her own friends. There's some truth to that, but there's more to how she sees the world than painting or drawing, and no one seems to understand that. So when Emily gets the chance to go to an art program in Philadelphia for the summer, she jumps at it. A new cast of characters enters her life... and suddenly she has to figure out who she wants to be. She's gone from the suburbs where everyone's trying to be the same to a school where everyone's trying to be unique. The rules may have changed, but the pressures haven't. With wit and empathy, Stobhan Vivian goes straight to the heart of a teen girl's search for identity — including the pain and heartache we have to go through to figure out who we are.

The new installment in the critically acclaimed Stravaganza series transports readers to a world much like our own-but where magic and piracy come to life in the Italian town of Classe. The new Stravagante is Isabel, a visitor from our world who befriends Flavia, a successful female merchant of spices, silks, and tapestries. But Flavia soon finds herself an outcast and a pirate, while Isabel learns that Classe is under threat of attack by the fierce Gate people. What can she do to help save the city? Fans of fantasy and historical fiction alike who have flocked to the Stravaganza series will welcome this action-packed adventure, which can be read alone or as a companion to the previous novels. Look out for the other books in this series: City of Masks, City of Stars, City of Flowers, City of Secrets, and City of Swords-out next year!

Three chilling novellas set in the world of the New York Times bestselling novel Asylum, which Publishers Weekly called "a strong YA debut." For the first time, these three terrifying stories will appear together with new found photographs perfect for new readers or diehard series fans looking for new clues and insights into the thrilling world of Asylum. This collection also features bonus sneak peeks at Asylum, Sanctum, and Catacomb, the novels that first introduced the Brookline asylum's legacy of terror. In The Scarlet, Cal is drawn into New Hampshire College's twisted secret society—one with a deadly initiation. In The Bone Artists, Oliver tries to make a little extra money for college by working for a seedy organization that traffics in human bones. In The Warden, a young nurse starts a new job at the Brookline asylum but soon becomes suspicious of its unorthodox procedures. . . . Don't miss Madeleine Roux's all-new gothic horror novel, House of Furies.
