production etc. The
book with its

contents spreading
across the vast

arena of modern

Online Library

New Jyothi

biology is expected to cater to the need of researchers, technologists and students.

Meeting the world's food security challenge will require a multi-national, collaborative effort to integrate the

Online Library

New Jyothi

best research from
science,
engineering and
socioeconomics so
that technological
advances can bring
benefits where
they are most
needed. The
present book
covers the effect of
major
environmental
problems on crop

Online Library

New Jyothi

production and how to cope with these issues for sustainable agriculture and improvements of crops. The world's population is predicted to hit 9.6 Billion by 2050, up from today's total of nearly 7.3 Billion, and with it food demand is

predicted to increase substantially. The post-war 'second agricultural revolution' in developed countries, and the 'green revolution' in developing nations in the mid-1960s converted agricultural practices and

Online Library

New Jyothi

elevated crop
yields

spectacularly, but
the outcome is
levelling off and
will not meet
projected demand.
Simultaneously,
crop production is
affected by many
other factors,
including industrial
pollution, overuse
of fertilizers and

Online Library

New Jyothi
