Dan Kennedy's No B. S. Time Management for Entrepreneurs has drastically improved my productivity and my time management. What made the difference? It was Dan's insistence on making appointments for the things we need to get done. There were many other helpful hints and habits shared but changing this one thing has changed everything.

each day just by not commuting. Most entrepreneurs spend at least an hour a day commuting (round trip). If you multiple that by five days a week for 50 weeks a year, that is 250 hours per year of wasted time. By working from home you could save yourself that time and be more productive.

No B.S. Time Management by Dan Kennedy: Book Review

No BS Time Management for Entrepreneurs - Second Edition Lee Iococca once said that top CEOs might squeeze in 45 productive minutes a day. A study of Fortune 500 CEOs found they averaged 28 productive minutes in a day. Most of us do a very poor job of managing our time, probably because we haven't learned to value it very much.
