The first broad retrospective of August Kleinzahler's career, *Sleeping It Off in Rapid City* gathers poems from his major works along with a rich portion of new poems that visit different voice registers, experiment with form and length, and confirm Kleinzahler as among the most inventive and brilliant poets of our time. Travel—actual and imaginary—remains a passion and inspiration, and in these pages the poet also finds "This sanctified ground / Here, yes, here / The dead solid center of the universe / At the heart of the heart of America."

It's the beginning of senior year and Yuki's psychic awareness of ghostly spirits is threatening to ruin her life. Her ability to sense spirits of the dead isn't glamorous like the ghost hunting on television. SHE SMELLS THE DEAD. The smell impressions are becoming stronger. Yuki is being visited in her dreams, and she suspects that her friend Calvin is involved in something strange. To make matters worse her crush on Garrett is going unrequited, Yuki's friend Emma is on a rampage against bee oppression, and annoying Calvin Miller mysteriously disappears. Will Yuki be able to focus her powers in time to save the lost soul who is haunting her? Meanwhile, who will save Yuki from following the spirits into the light?

When he comes across an ad for modeling, he thinks his luck has changed-until he learns he's interviewing for an adult film and will be expected to have sex. On camera. With other men. For gay porn star Brandon Court, the shine has worn off of regular shoots. He and his producer, Les, decide to try something new: a reality-show porno set at a beach house. When he meets wide-eyed and naive Evan for the first time, Brandon isn't sure if he wants the kid to get lost or get naked. Naked wins. On set, Brandon takes Evan under his wing, and over the next month, they are thrown together in every intimate way conceivable-except emotionally. Both Brandon and Evan are terrified of trying for anything deeper, and insecurities and doubts wear on their hopes, but the chemistry between them won't let them slow things down.
