A learning plan is a document that
captures plans to acquire knowledge and
improve abilities. A learning plan may be
a personal plan that captures all of an
individual's learning ambitions.

Alternatively, a plan may be carefully
tailored to a situation, role or program
such as an employee who is required to
document a learning plan as part of a
career development process.

Welcome to BCCNM!

In education, a learning plan is usually set by a teacher, a student, or a counselor in order to aid a student in achieving his/her learning goals and targets. In business, a learning plan is known to be a free outline of activities to help achieve the learning and development goals of an individual or a group of individuals over a set time period.
