A dark and sensual reverse harem romance. Sometimes even outcasts can earn forgiveness. Thrust into a nightmare, Thea thinks all hope is lost, until an unexpected rescue by three strangers. Forget returning to her old life though, because not only does a psycho vampire want her back, a trio of wolves wants to claim her as their mate. What started out as a search for his missing sibling, turns into a rescue mission of a woman who makes his inner beast howl. Trent knows it wrong to want his dead brother's mate, but he can't help himself, and neither can his friends. However, danger stalks the one they want and they'll have to face true evil before they can set her free. And for an outcast wolf, the path to redemption is lonely. Can Jaxon ever atone enough to be welcomed back to his pack and into the arms of the woman

A career military man, Viktor lives for the next mission – and his collection of weapons -- but a raid on an experimental lab makes him an unwilling protector, mostly because he can't peel Renee off. A cold blooded croc, he never intended to settle down, but he didn't count on a foxy lady warming his heart. The world outside the laboratory was a big scary place. Unsure of how to deal with it, Renee latches onto the biggest, baddest, and sexiest, warrior around. Sharp toothed and with ice in his veins, Viktor's violent side should have sent her running, but instead, she finds the courage to face her fears –and tame the lizard. When danger comes knocking, with the intention of turning her lizard into a high priced fashion

Dammit , just how many toes was she going to have to stomp on before people realized she was a Delicate Freakn' Flower?Naomi doesn't want to follow tradition and settle down with a violence-loving, chest thumping shapeshifter. She grew up in a household with five, testosterone laden brothers where none of the dishes ever matched, the ugly-as-sin furniture could withstand any catastrophe, and where crazy glue was bought by the case. When fate—with a snicker—makes her meet not one, but two mates, Naomi digs her heels in and refuses to do what her wolf—and her body—demands. No way is she voluntarily allowing herself to get hitched to a pair of dumbass—totally hot and

United Coalition so she can help track some escaped psycho patients. As if that weren't bad enough, they partnered her with the very pampered Dr. Manners. Everything about the attractive feline annoys her, except for his flaming hot kisses. But is passion enough to keep a usually sparring species together? Nolan's pedigree isn't the only thing preventing him from falling for his sexy partner. She's bossy, violent, rude and oh so intriguing to this curious cat, but his meddlesome mother will never allow him to get involved with a bird. But before he can decide if love is worth bucking pride tradition, he needs to stay out of the clutches of a demented ex-patient.
