Activity Answers

A dichotomous key is a listing of specific characteristics, such as structure and behavior, in such a way that an organism can be identified through a process of elimination. In this investigation, it is expected that you: 1) Use a key to identify 14 shark families. 2) Study the method used in phrasing statements in a key.

Procedure 1. Read sentences 1A and 1B of the key. Then study shark 1 in figure A for the
