Describes the spontaneous celebration that occurred in the trenches on Christmas Eve in 1914 during World War I, when participants on both sides briefly put aside their differences to exchange gifts, share food, and enjoy a brief moment of peace.

Bookmark File PDF Silent Night The Remarkable Christmas Truce Of 1914 Stanley Weintraub

SILENT NIGHT brings to life one of the most unlikely and touching events in the annals of war. In the early months of WWI, on Christmas Eve, men on both sides left their trenches, laid down their arms, and joined in a spontaneous celebration with their new friends, the enemy. For a brief, blissful time, remembered since in song and story, a world war stopped. Even the participants found what they were doing incredible. Germans placed candle-lit Christmas trees on trench parapets and warring soldiers sang carols. In the spirit of the season they ventured out beyond their barbed wire to meet in No Man's Land, where they buried the dead in moving ceremonies, exchanged gifts, ate and drank together, and joyously played football, often with improvised balls. The truce spread as men defied orders and fired harmlessly into the air. But, reluctantly, they were forced to re-start history's most bloody war. SILENT NIGHT vividly recovers a dreamlike event, one of the most extraordinary of Christmas stories.

It was one of history's most powerful -- yet forgotten -- Christmas stories. It took place in the improbable setting of the mud, cold rain and senseless killing of the trenches of World War I. It happened in spite of orders to the contrary by superiors; it happened in spite of language barriers. And it still stands as the only time in history that peace spontaneously arose from the lower ranks in a major conflict, bubbling up to the officers and temporarily turning sworn enemies into friends. Silent Night, by renowned military historian Stanley Weintraub, magically restores the 1914 Christmas Truce to history. It had been lost in the tide of horror that filled the battlefields of Europe for months and years afterward. Yet in December 1914 the Great War was still young, and the men who suddenly threw down their arms and came together across the front lines -- to sing carols, exchange gifts and letters, eat and drink and even play friendly games of soccer -- naively hoped that the war would be short-lived, and that they were fraternizing with future friends. It began when German soldiers lit candles on small Christmas trees, and British, French, Belgian and German troops serenaded each other on Christmas Eve. Soon they were gathering and burying the dead, in an age-old custom of truces. But as the power of Christmas grew among them, they broke bread, exchanged addresses and letters and expressed deep admiration for one another. When angry superiors ordered them to recommence the shooting, many men aimed harmlessly high overhead. Sometimes the greatest beauty emerges from deep tragedy. Surely the forgotten Christmas Truce was one of history's most beautiful moments, made all the more beautiful in light of the carnage that followed it. Stanley Weintraub's moving re-creation demonstrates that peace can be more fragile than war, but also that ordinary men can bond with one another despite all efforts of politicians and generals to the contrary.

This moving story of horror taking a holiday (People) vividly recounts one of history's most powerful Christmas stories. Using the stories of

the men who were there, Weintraub illuminates this extraordinary moment in time.

Journeying with his parents to New York City at Christmastime, where his father is to have a life-saving operation, young Brian chases a pickpocket who has stolen his mother's wallet, which contains a St. Christopher medal. Reissue.

Recounts the story of the historic Christmas Truce during World War I when soldiers ceased fire and exchanged gifts and holiday traditions, and includes Walter Cronkite's narration of the story.

Christmas 1941 came little more than two weeks after the attack on Pearl Harbor. The shock—in some cases overseas, elation—was worldwide. While Americans attempted to go about celebrating as usual, the reality of the just-declared war was on everybody's mind. United States troops on Wake Island were battling a Japanese landing force and, in the Philippines, losing the fight to save Luzon. In Japan, the Pearl Harbor strike force returned to Hiroshima Bay and toasted its sweeping success. Across the Atlantic, much of Europe was frozen in grim Nazi occupation. Just three days before Christmas, Churchill surprised Roosevelt with an unprecedented trip to Washington, where they jointly lit the White House Christmas tree. As the two Allied leaders met to map out a winning wartime strategy, the most remarkable Christmas of the century played out across the globe. Pearl Harbor Christmas is a deeply moving and inspiring story about what it was like to live through a holiday season few would ever forget.

A reminiscence of a Christmas shared by a seven-year-old boy and a sixtyish childlike woman, with enormous love and friendship between them.

The Christmas Truce of 1914 remains a moment of enduring fascination more than a century after the day the First World War guns fell silent. Now for the first time, hundreds of first person accounts of this most extraordinary period of history have been gathered together telling the story in their own words of the soldiers who met in peace in No Man's Land. The stories of men from English, Irish, Scottish and Welsh regiments who played and joked, sang and danced, swapped gifts and shared food and drink with the enemy before returning to war on the Western Front. Christmas Truce By The Men Who Took Part is the largest collection ever drawn together of letters sent home by the officers and soldiers who laid down their guns and shook hands with their foes. The eye opening accounts of the unofficial armistice between German and British forces capture the trepidation and exhilaration, the curiosity, anger, joy and despair of that first Christmas on the unforgiving battlegrounds of the Great War.

early Christmas celebration. It's the first time they've all been together since Em was captured and Luke almost died taking down his nemesis in Beirut a year ago, and everyone is looking forward to sharing some Christmas magic together. Except one of them has unknowingly brought a deadly threat to their doorstep. But evil doesn't take holidays. When a shocking threat suddenly shatters the calm, Luke and his team must risk everything to save two of their own. And when the rescue attempt goes wrong, the consequences are more costly than they ever could have imagined. *Note: This book is a follow-up to the Suspense Series and is not meant to be read as a standalone*
