It was frustrating because not only was book 3 in the Imdalind series the same timeline as book 2, but book 4 barely moved the plot at all. The ending of Soul of Flame was wonderful, though. Finally, I got to see Joclyn as the strong and magical being that I knew she was. She was fierce and skilled.

I may have escaped Cail's delusions
But my world is still on fire. It was a miracle when Ilyan pulled me from Cail's mind. Too bad the creepy bleeding walls, and broken bathroom from hell followed me back into reality. Now everything is so mixed with the twisted, haunted house that you would think I was losing my mind. Walls are moving, people are screaming and Ryland is right there, just begging me to kill him. Which is

great, cue the sarcasm, I get my best friend back, and now I want to rip him to pieces. Being trapped inside Cail's insanity has turned me into just as much of a weapon as Ryland. Both of us, broken little pawns, trapped in an old abbey in the middle of Spain, surrounded by Edmund's army, just waiting for the 'war to end all wars' to begin. You know, the one that I am supposed to die in order to save the world. Hopefully it won't be impossible. I may be battling with my mind, but my trip into insanity has woken up my powers, and now there is no stopping me. Even Ilyan isn't ready to lose.

Which is probably why on the night of the battle that is supposed to be my last, he does something that will impact us forever. Hopefully for the best. Just when you think it can't get any better, Ilyan had to go and do that?! I guess you better dive right in and find out what that is. Enjoy!" It was one kiss... .. and it very nearly ended my life. Secrets are dangerous, and

sometimes they can kill. My secret may not be that bad, but it sure has put a wrench in my high school plans. I am in love with my best friend. I know, I know. It's every teenage girl's big confession, but most of them at least have a chance. Cute boy next door and all that. Not me, I just so happen to have a crush on a guy that is way out of my league. Ryland LaRue is insanely hot, insanely rich, and way too nice for his own good. It's clear I can't have him, and not just because his evil, overlord father hates my guts. My crush on Ryland is not my only secret. I'm hiding something bigger than that. It's the reason

my dad left, and I am pretty sure it's why his 'magical' cult is now following me around. The only problem? Ryland has a secret too, and his just happens to have all the answers I need. Which bring us to that kiss...

Edmund has infiltrated the underground hallways of Prague, guiding the massacre that would end the lives of the last of the great magical race. In her attempts to stop him, Wynifred has been captured and her magic restrained. Chained up in the ancient dungeons of Prague, her fate is left in the

hands of her father, who has tried to kill her before. With Ryland's screams and Sain's fragmented sights as her only company, Wyn must rely on something that has been hidden deep inside of her for centuries to help them break free. Ilyan's whole life has been building up to one purpose. Protect the Silni. He knows what he must do, and he has no doubt in his ability to do so. But when his father's magic removes Joclyn's mind from her body, he is left protecting the shell of the one person he loves. Desperate to find a way to break her free of her prison, he makes a choice. And that one choice changes

everything. Now, Ilyan finds himself bound to Joclyn in a way that he never knew to be possible. They say that blood is thicker than water, but Black Water burns, and Ilyan's heart may not be strong enough to keep it pumping through his veins and give the girl he loves back into his brother's care. Even if he can, it may not be safe to do so.

Why dream of becoming royalty, when you can just overthrow them? Two hundred years after the war, magic use is regulated, monitored, and limited to the select few who win the masochistic Gauntlet and are given 'The Power

No Gauntlet, no magic, no Paranormal Academy, and no place in society besides outcast with the Drains that live in the old tunnels that dot what once was Europe. Unless you are me, who after a cruel twist of fate is left with a diseased fragment of magic. I may not be as strong as the bastards that lord over us, but that isn't going to stop me from raising more than a little hell. This year I am running the Gauntlet, and enrolling myself in their damn academy. After all, there is no better way to take down the evil overlords of our world

Edmund, wants me dead, and now that Ryland is under his control, he wants me dead too. Awesome. I would probably be dead already if Ilyan wasn't protecting me.
