YA. Love stories. Horror fiction. When Layla's mother dies, her world is thrown into turmoil. But there's something more than grief. She can see and hear things she shouldn't be able to and she can smell blood a mile away. She's restless and confused, exhilarated one moment, sickly the next. Regan is a twenty-something American student at Glasgow university. He's shy, lonely and almost friendless, except for two odd Irish boys who seem determined to show him how to have a good time. When Layla and Regan meet by chance, they fall headlong in love, but something deeper and darker seems to be drawing them together and will threaten to tear them apart.

Jackson is looking forward to visiting his aunt who has been busy working on an anthropological dig at Stonehenge in England. Jackson can't wait to finally see the massive and mysterious stone formations in person. But then he witnesses a vicious attack on a young man, and another on his beloved aunt Sarah. A savage beast no one has ever seen before is on the prowl. Now it's up to Jackson and his new friend, Alma, a gravedigger's daughter, to stop the beast. All the clues lead back to Stonehenge, where he and Alma must risk their lives to solve the mystery of the monster stalking the countryside-before it's too late.

WANTED: Young, skinny, wiry fellows not over eighteen. Must be expert riders. Willing to risk death daily. Orphans preferred. When Colton Wescott sees this sign for the Pony Express, he thinks he has the solution to his problems. He's stuck with his ma and two younger sisters on the wrong side of the Sierra Nevada Mountains, with no way to get across. They were on the wagon train heading to California when Pa accidentally shot Colton and then galloped away. Ma is sick, and Colton needs money to pay the doctor. He'd make good money as a Pony rider. he also needs to get to California to deliver freedom papers to Ma's sister, a runaway slave. The Pony Express could get him there too... Does Colton have what it takes to be a Pony Express rider? And if so, will traveling the dangerous route over the mountains bring him closer to family, freedom, and everything he holds dear?
