Teaching Speaking Listening

And Writing

Writing, speaking and listening are communication skills that are important in all subject areas in the curriculum. Hence, literacy should have a central position in the curriculum. Even so, differences between students' levels of literacy mean that some students fail to acquire the verbal foundations for learning.

collaborate on the organization of teaching / learning.

The Importance of Four Skills Reading, Speaking, Writing ...

The purpose of language learning is to improve the speakers' four skills of listening, speaking, reading and writing, with the base of large vocabulary and good grammar, but this is not the final purpose. The final purpose is to let speakers be able to use the language. For instance, why do people study English?
