**The Christmas Sweater - Glenn Beck**

Glenn Beck's #1 New York Times bestselling holiday novel is now available on audio for only \$14.99. When Eddie was twelve years old, all he wanted for Christmas was a bike. Although his life had gotten harder—and money tighter—since his father died, Eddie dreamed that somehow his mother would find a way to have his dream bike gleaming beside their modest Christmas tree that morning.

**Amazon.com: The Christmas Sweater (9781442336179): Beck ...**

Glenn wants the things other kids have, like a shiny new red bike for Christmas. Glenn learns that he doesn't always get the possessions he wants, but he learns about what is really important. If anyone other than Glenn Beck had written this, it would have been predictable, sickeningly sweet, and cheesy.

Based loosely on Glenn Beck's own childhood, the Christmas Sweater is a story about family, faith, and the greatest gift in life: forgiveness. Beginning in 2007, Glenn began working on translating this powerful book to the stage. In December of 2008, the show was premiered at Heinz Hall in Pittsburgh, Pennsylvania, and followed with an 11 city tour across America - featuring a live orchestra, original music by Blake Ragghianti, and cinematic animation created expressly for this production.

**The Christmas Sweater by Glenn Beck, Kevin Balfé, Jason ...**

The Christmas Sweater by Glenn Beck-audio CD What a heart warming story of redemption as seen in the eyes of a young boy. It is what life is all about, trying our best, making mistakes, and being forgiven by our family and God in the end. Sometimes we don't know how good we have it until it is gone.

A holiday tale relates the story of a thirteen-year-old boy whose final gift from his mother, a sweater, is scorned in favor of more expensive gifts before a tragic car accident ends the mother's life.

Adapted from the bestselling adult novel, The Christmas Sweater: A Picture Book is the story of a young boy who finds the true meaning of Christmas in the most unlikely of places. Eddie wants a bicycle for Christmas, but his mother knits him a homemade sweater instead. His disappointment is obvious, but a magical journey with his whimsical grandfather makes Eddie realize that the sweater is far more than it seems. He ultimately learns that the greatest gift of all is one that is given with love..

Adapted from the original bestselling novel, The Christmas Sweater: A Picture Book is the story of a young boy who finds the true meaning of Christmas in the most unlikely of places. Eddie wants a bicycle for Christmas, but his mother knits him a homemade sweater instead. His disappointment is obvious, but a magical journey makes Eddie realize that the sweater is far more than it seems. Ultimately it teaches him that the true meaning of a gift is that it is given with love.

FUNNY. FRIGHTENING. TRUE. It happens to all of us: You're minding your own business, when some idiot informs you that guns are evil, the Prius will save the planet, or the rich have to finally start paying their fair share of taxes. Just go away! you think to yourself -- but they only become more obnoxious. Your heart rate quickens. You start to sweat. You can't get away. Your only hope is... ..this book. Glenn Beck, author of the #1 New York Times bestsellers An Inconvenient Book and Glenn Beck's Common Sense, has stumbled upon the secret formula to winning arguments against people with big mouths but small minds: knowing the facts. And this book is full of them. The next time your Idiot Friends tell you how gun control prevents gun violence, you'll tell them all about England's handgun ban (see page 53). When they tell you that we should copy the UK's health-care system, you'll recount the horrifying facts you read on page 244. And the next time an idiot tells you that vegetable prices will skyrocket without illegal workers, you'll stop saying "no, they won't" and you'll start saying, "actually, eliminating all illegal labor will cause us to spend just \$8 a year more on produce." (See page 139.) Idiots can't be identified through voting records, they can be found only by looking for people who hide behind stereotypes, embrace partisanship, and believe that bumper sticker slogans are a substitute for common sense. If you know someone who fits the bill, then Arguing with Idiots will help you silence them once and for all with the ultimate weapon: the truth.

Cameron loves his grandmother. She knows just what makes him tick. That's why he can't figure out why Grandma would send him a sweater—a truly terribly horrible sweater—for his birthday. Cameron pours mustard on his sweater. He puts it on his dog (in the rain). He even tries to send it to the thrift shop. But nothing works. Now Grandma is coming for the holidays, and Cameron has to wear her gift to him. But what's he going to say when she asks what he thinks about the sweater she made? With a sure hand and a light touch, worldwide bestseller Debbie Macomber and her new writing partner, Mary Lou Carney, reveal that what Grandma knit into Cameron's sweater is the greatest gift of all. Debbie and Mary Lou have included simple knitting instructions and an original knitting pattern for Cameron's sweater. You can find them at the back of this book.

#1 New York Times bestselling author and popular radio and television host Glenn Beck revisits Thomas Paine's Common Sense. In any era, great Americans inspire us to reach our full potential. They know with conviction what they believe within themselves. They understand that all actions have consequences. And they find commonsense solutions to the nation's problems. One such American, Thomas Paine, was an ordinary man who changed the course of history by penning Common Sense, the concise 1776 masterpiece in which, through extraordinarily straightforward and indisputable arguments, he encouraged his fellow citizens to take control of America's future—and, ultimately, her freedom. Nearly two and a half centuries later, those very freedoms once again hang in the balance. And now, Glenn Beck revisits Paine's powerful treatise with one purpose: to galvanize Americans to see past government's easy solutions, two-party monopoly, and illogical methods and take back our great country.

Donna VanLiere's Christmas books have enthralled millions of readers. Now she delivers a new inspirational novel about an unlikely friendship between two women—a friendship that will change each of their lives forever. Gretchen Daniels has recently moved into a condo with her two children to be closer to her mother, Miriam. As they build a life together in their new community, they notice a mysterious young woman, Melissa McCreary, who lives next door. She has few possessions, little personality, and keeps to herself. One day a local landlord who is looking for Melissa knocks on Gretchen's door for assistance. Melissa's mother has died and in the coming weeks the landlord needs Melissa to empty her mother's apartment. Gretchen reaches out and offers to help Melissa, but the apartment is a gut-wrenching shamble of a home. There is little worth saving except for a few photos and a note that is discovered on the crate beside the bed. It is unfinished, but in the two scribbled lines, Melissa discovers secrets about her family that she never could have imagined. Can two very different women embark on a journey that explores a long-buried need for forgiveness, hope, and redemption?

From two extraordinary talents, a beautifully crafted picture book for the Christmas season. The three wise men, or the three kings, are familiar figures in the Christmas tradition. Newbery medalist Linda Sue Park has taken the brief biblical references to the three as the starting point for a new story. In it we meet a boy who is learning his father's trade; a man who gathers resin from certain trees; a merchant in the marketplace; and three strangers in brightly colored robes who are shopping for a gift for a baby. Illustrated by Bagram Ibatoulline with exquisite paintings, this simple, moving tale of ordinary people involved in an extraordinary event brings new resonance to the well-known gift list of gold, frankincense, and myrrh. Includes an author's note.

After watching It's a Wonderful Life for the first time, thirty-one-year-old Julie Shelly's predictable small-town life turns anything but as she begins experiencing uncanny parallels between her life and the fictional George Bailey's. Initially intrigued by the way her life seems to imitate the classic movie, Julie secretly hopes the strange similarities bear some kind of deeper existential significance. But real life soon brings her back down to earth and she dismisses the episodes as mere coincidence and the wishful thinking of her restless spirit. Julie decides to put the Wonderful Life foolishness behind her...until a tragedy puts her faith to the test and forces her to view the odd movie coincidences in a completely different light. Her epiphany ultimately spurs her toward an extraordinary, life-changing encounter with a vulnerable stranger on Christmas Eve.
