In the winter of 1917, with many of his regular hands off fighting in World War I, George Bliss hires young Martha Lessen, a female horse whisperer, to help gentle wild horses, and as she demonstrates her unique talent for dealing with damaged horses, gentles a horse for a dying man's son, and clashes with an abusive hired hand, she finds a sense of family and belonging. Reprint.

A female horse whisperer finds her place among the ranchers of WWI-era Oregon in this heartwarming historical Western with "its own unique pleasures" (Publishers Weekly). In the winter of 1917, nineteen-year-old Martha Lessen saddles her horses and heads for a remote county in eastern Oregon, looking for work "gentling" wild horses. She finds employment with the rancher George Bliss, whose regular ranch hands are overseas fighting World War I. George glimpses, beneath Martha's showy rodeo garb, a shy but strong-willed girl with a serious knowledge of horses. So begins the irresistible tale of a young woman determined to claim her place in a man's world. Over the course of several long, hard winter months, many of the townstolk witness Martha talking in low, sweet tones to horses believed beyond repair—and getting miraculous, almost immediate results. It's with this gift that she earns their respect, and a chance to make herself a home.

In the winter of 1917, with many of his regular hands off fighting in World War I, George Bliss hires young Martha Lessen, a female horse whisperer, to help gentle wild horses, and as she demonstrates her unique talent for dealing with damaged horses, gentles a horse for a dying man's son, and clashes with an abusive hired hand, she finds a sense of family and belonging.

In the winter of 1917, a big-boned young woman shows up at George Bliss's doorstep. She's looking for a job breaking horses, and he hires her. Many of his regular hands are off fighting the war in Europe, and he glimpses beneath her showy rodeo garb, a shy but determined girl with a serious knowledge of horses. So begins the irresistible tale of Martha Lessen, a female horse whisperer trying to make a go of it in a man's world. Along the way, Martha helps a German family, ostracised by the community, to save their horses, gentles another horse for a dying man - a last gift to his young son - and gradually earns the respect and admiration of her new neighbours. With elegant sweetness and a pitch-perfect sense of western life, The Hearts of Horses is a remarkable a story about how people and animals make connections and touch each other's lives in the most unexpected and profound ways.

A cowboy turns Hollywood stuntman only to discover the truth behind the silver screen in this "beautiful, moving novel, cut from the American heartwood" (Ursula K. Le Guin). In 1938, the country is moving past the Great Depression, but times are still tough in Oregon. Nineteen-year-old ranch hand Bud Frazer sets out for Hollywood, planning to use his rodeo skills as a stunt rider in the movies—and meet the great screen cowboys he admires. On the long bus ride south, Bud meets a young woman who also harbors dreams of making it in the movies, not as a starlet but as a writer. Lily Shaw is bold and outspoken, more confident than her small frame and bookish looks would seem to allow. The two strike up an unlikely kinship that will carry them through their tumultuous days in Hollywood. Through the wide eyes and lofty dreams of two people trying to make their mark on the world, Molly Gloss weaves a remarkable tale of humans and horses, hope and heartbreak, told in the "matter-of-fact, laconic, utterly authentic-sounding voice" of Bud Frazer himself in this "hypnotic read" (Kirkus).

A dramatic novel details the trials and tribulations of a widowed homesteader against the backdrop of the unforgiving and forbidding Blue Mountains. Reader's Guide included. Reprint.

When mother of five Charlotte Bridger Drummond becomes lost in the Great Northwest Woods, she is rescued by an elusive group of quasi-human beasts that force her to examine her previous notions about the differences between animals and humans, men and women, and wilderness and civilization. Reprint. 25,000 first printing.

Villagers were always warned that monsters live outside the gates, but when a young boy named Vren is cast out, he finds a home in the world beyond, in Whiting Award winner Molly Gloss's classic fantasy novel. Vren has always been told that the world beyond the gates of his village is one filled with monsters, giants, and other terrifying creatures. But when he confides with his family about his ability to talk to animals, he's outcast to the very world he's been taught to fear his whole life. He expects to die alone, lost and confused, but he finds something different altogether—refuge in a community of shadowed people with extraordinary powers. Thirty years later, Molly Gloss's dystopian fantasy novel is just as timely, poignant, and stirring as ever, in a brand-new edition!

Leaving a dilapidated Earth behind, Quakers across the globe pool funds and resources as they select colonists to send to a newly discovered planet to start life anew in this "miraculous fusion of...science fiction with unsparing realism and keen psychology" (Ursula K. Le Guin). In this "carefully conceived and deeply affecting" (The New York Times) novel, award-winning author Molly Gloss turns her attention to the frontiers of the future. A group of Quakers band together to abandon the ailing Earth, and travel to a settle a whole new world. The Dazzle of Day is their story. "The Dazzle of Day is a heartbreakingly good book...a rare dream of a book, passionate and lyric. The Dazzle of Day allows us to see our own world, our own present, more profoundly" (San Jose Mercury News).

From bestselling and award-winning author Molly Gloss comes her first complete collection of short stories—including two brand-new, original tales. Award-winning author Molly Gloss's career retrospective collection of short stories comprises of two new stories. Unforeseen celebrates fourteen of her imaginative tales including her best-known story, "Lambing Season".
