Bernard Lewis - Wikipedia

In The Middle East, Bernard Lewis offers an overview of the last 2000 years of middle eastern history. This sounds interesting, and should rightly be so, but it doesn't really work out in practice. I realize that it is extremely difficult to write a book that is not only complete but also in-depth, especially on an area that is as complex and historically diverse as the Middle East.

The Middle East: A Brief History of the Last 2,000 Years ...

Bernard Lewis's "The Middle East" is a thorough and comprehensive history of the region, though overwhelmingly focused on the Muslim/Arab dominance of this region. Though labeled as a history of the past 2,000 years, it's mostly a history of the past 1,400 years. Persians, Christians, Romans, and modern Israelis operate on the fringes.

Bernard Lewis, historian of the Middle East, 1916-2018 ...

Today's Middle East, in Lewis's telling, emerged from a great clash between two ancient civilizations—Persia and Byzantium. Centuries of struggle left both of these vulnerable to a third force—Islam—which burst onto the scene in the 7th century C.E. from a remote corner of Arabia. For the next 1,000 years, Islam steadily grew, swallowing up Persia, enfeebling Byzantium, becoming the basis of a powerful civilization itself, and then, exhausted and under pressure from the West ...
