“ [In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I ’ ve ever heard in my life. ” —Dave Chappelle, from his Netflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim ’ s autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago ’ s street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, “ In this book, I will take you, the reader, with me into the secret inner world of the pimp. ” An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler ’ s tale that never seems to go out of style.

The book Rosebudd the American Pimp is about the choices one has to make in order to go to the highest plateau in that lifestyle. Rosebudd did all that was in his power to become a legend. His day to day activities and mental savvy and toughness is displayed throughout the book. His book is not a book on how to become a pimp, but rather a book on how not to be a brutal, uncaring person and still receive the rewards of being one of the best pimps there ever was. In his book he has listed the 27 rules to becoming a master at this game. If you pick this book up, you will not put it down until you are completed. You must be cautious with this material, because you will be handling dope.

King is the story of how Kirkland Gaynes rose to become 'Top Pimp' in Chicago's seedy underworld. It's an unapologetic account of what is known as the 'Pimp Game.' King shows that dreams can come true. But the flip side to a dream is nightmarish.

A notorious Chicago pimp--leading a lifestyle of unimaginable wealth--recalls with brutal candor his rise from ghettto to celebrity as leader of Chicago's Magic World Christian.

"On a scale of one to ten, this novel is incomparable to any other of its kind; in fact this read is off the scale. To my knowledge, there has never been a novel quite like this. The writer is nothing short of brilliant. He is the absolute best." -Bogeese (Chicago, IL)

A facsimile edition of the first 1972 edition that followed Silky, a pimp, and his women through an entire year of life on the streets of New York City. Armed with only a camera Adelman entered the lives of Silky and his women. This facsimile edition re-introduces this classic of the times and makes available, once more, this compelling and hugely popular book.
