When Rema chose to be crowned queen and join the rebel forces, she knew she'd face the fight of her life. What she didn't expect was to be kidnapped by an Emperion assassin and taken to the mainland to be executed in front of the emperor. How can she save Greenwood Island if she can't even save herself? Darmik knows he doesn't have much time to rescue Rema. He's denounced his position as Commander and Prince in order to join the rebels. But now he must rely on his family name in order to go before the Emperor--his uncle--and beg for Rema's life. If Rema and Darmik have any hope of being together and saving their kingdom, they must survive the greatest threat of all--Emperion. This is the heart-pounding conclusion to The True Reign Series.

Seventeen-year-old Rema lives in a brutal kingdom where travel between regions is forbidden, people are starving, and looking at someone the wrong way can mean death. Nineteen-year-old Darmik is the king's son and Commander of the King's Army. He spends his days roaming the island, doing his father's bidding and trying to maintain control over the people. When a chance encounter throws Rema and Darmik together, they share an instantaneous connection, but any sort of relationship between them is strictly forbidden. Darmik's brother, the Crown Prince, notices Darmik's interest in Rema and, in a calculated, political move, blackmails her. Faced with an impossible choice, Rema is forced to sacrifice her heart in order to save her family. As Rema

is taken to the palace with the Crown Prince, Darmik confronts the growing rumor that a legitimate blood heir to the throne exists and is trying to overthrow Darmik's family. In Darmik's quest to hunt down and kill the threat, he discovers that nothing is as it seems. Locked in the king's castle, Rema finds herself a key player in a massive power struggle. When Darmik shows up, she's not sure if she can trust him. The line between friends, enemies, and loyalty becomes blurred. As truths are unlocked, Rema understands that she just might be the key to finding the rightful heir and restoring peace to the kingdom . . . if she can manage to stay alive long enough.

As Rema and Darmik fight to save their kingdom, they must survive the greatest threat of all—Emperion.

Sentenced to be executed. Betrayed. Alone. Hanged on the gallows. Rema thought her life was over, but she was wrong. Saved by a rebel force she'd only ever heard rumors about, Rema finds herself in a forbidden place. She is finally safe—free from the king and Prince Lennek. But not everything is as it seems at the rebel fortress. Secrets are whispered, and loyalties are tested. Once Rema uncovers the truth of her heritage, will she flee? Or will she ascend to the throne, taking on the responsibility of an entire kingdom? Now that Darmik knows Rema's true identity, he's on a quest to save her. But when an Emperion assassin arrives on Greenwood Island, Darmik knows he doesn't have very long to find her. In a deadly game with high stakes, will Darmik remain loyal to his family? Or will he break away and join the rebels? Kingdoms rise and fall. Heroes are born and made. But one thing remains the same—love conquers all.

The Order of the Krigers has risen. Determined to destroy the Order, the vicious king, Morlet, scours the land, searching for the Krigers. Stifling her growing feelings for the assassin, Kaia unearths secrets that force her to reevaluate her cause. Can she sacrifice so much of herself to save the kingdom of Nelebek? Can she kill Morlet when she is starting to understand and even sympathize with him? And is there really any choice at all, especially when it comes to matters of the heart? Kaia learns each choice comes with a price, passion can rival hatred, and an evil looms on the horizon, more sinister than she ever imagined.

Harley has three goals—stay alive, avenge her brother's death, and overthrow the traitorous king. When Harley receives an invitation to the royal castle for her cousin's birthday, she's elated at the offer. As the king's niece, she's expected to make an appearance, but this will also be her first time attending a formal function as a married woman. However, what starts as an elegant party quickly turns into a nightmare. One that flips Harley's world upside down. Ackley's mission should have been simple—arrive in Melenia, submerge himself in battle, and retake the kingdom for his sister's newly betrothed, the rightful king. Instead, he finds the land ravaged and a young woman who could be the key to his undoing. When forced to choose between family, honor, and love, he realizes all of his years training to be an assassin, knight, and prince never prepared him for this. Ackley always thought

he'd die by the sword. But what he never realized was love could be the most dangerous weapon of all. This is the first book in a new series by Jennifer Anne Davis. Filled with romance, battles, and espionage, this book will immerse you into the world of her previous books like you've never before imagined!
