Yamaha use the name Breeze for various things. Here in Taiwan its a 125cc scooter, as I said, and the naked /unfaird version of a 150cc V-twin motorcycle. Probably other things as well. They just seem to like that name. Apparently in the US its a 125cc ATV, but that'll still be useful if its got the same engine.

Yamaha Breeze 125 Starting Problems. Thanks Bob for the advice. I drained the float and then had to spray a couple of bursts of starter fluid into the air intake. The thing that I can't figure out now is why it only runs for a minute or two while the choke is pulled all the way out. ... It will idle then the engine really revs up. At that point ...
